Directors' report for the year ended 31 December 2018

The directors present their report and audited financial statements of the Company for the year ended 31 December 2018.

Principal activities

The Company does not trade. In 2007 the Company ceased trading and all of its activities were transferred to INEOS Sales Belgium NV.

Results and dividends

The loss for the financial year before taxation was €13 (2017: loss of €114). The directors do not propose the payment of a dividend (2017: €nil).

Key performance indicators (KPIs)

Given the straightforward nature of the business, the Company's directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business. The development, performance and position of INEOS Group Holdings S.A. which includes the Company, are discussed in the Group's annual report which does not form part of this report.

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of INEOS Group Holdings S.A. which include those of the Company are discussed in the Group's annual report which does not form part of this report.

Directors

The directors who held office during the year and up to the date of signing the financial statements were as follows:

J F Ginns

G W Leask

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom General Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the directors are required to:

Directors' report for the year ended 31 December 2018 (continued)

Statement of directors' responsibilities in respect of the financial statements (continued)

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to auditors

In the case of each director in office at the date the Directors' report is approved:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Independent auditors

During the year PricewaterhouseCoopers LLP were re-appointed as auditors of the Company.

By order of the board

Y S Ali
Company secretary
10 July 2019

Independent auditors' report to the members of INEOS Marketing Support Limited

Report on the audit of the financial statements

Opinion

In our opinion, INEOS Marketing Support Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual report and financial statements (the "Annual report"), which comprise: the Balance Sheet as at 31 December 2018; the Profit and Loss Account, the Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

Independent auditors' report to the members of INEOS Marketing Support Limited (continued)

Reporting on other information

The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' report for the year ended 31 December 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of directors' responsibilities set out on pages 1 and 2, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent auditors' report to the members of INEOS Marketing Support Limited (continued)

Auditors' responsibilities for the audit of the financial statements (continued)

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

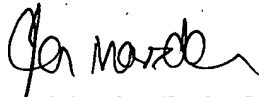

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption in preparing the Directors' report; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements)

1 Accounting policies

INEOS Marketing Support Limited (*the "Company"*) is a private limited company limited by shares incorporated and domiciled in United Kingdom. The registered office address is Hawkslease, Chapel Lane, Lyndhurst, Hampshire, SO43 7FG.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework ("FRS 101")*.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("*Adopted IFRSs*"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The financial statements are expressed in euros as the Company primarily generates income, incurs expenditure and has the majority of its assets and liabilities denominated in euros. The exchange rate as at 31 December 2018 was €1.10939/£1 (2017: €1.12575/£1).

INEOS Group Holdings S.A. is the parent undertaking that includes the Company in its consolidated financial statements. The consolidated financial statements of INEOS Group Holdings S.A. are prepared in accordance with International Financial Reporting Standards and can be obtained from the Company Secretary, 58, rue Charles Martel, Luxembourg, L-2134, Luxembourg.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs;
- Disclosures in respect of the compensation of Key Management Personnel.

As the consolidated financial statements of INEOS Group Holdings S.A. include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- IFRS 2 *Share Based Payments* in respect of group settled share based payments;
- Certain disclosures required by IAS 36 *Impairment of assets* in respect of the impairment of goodwill and indefinite life intangible assets;
- Disclosures required by IFRS 5 *Non-current Assets Held for Sale and Discontinued Operations* in respect of the cash flows of discontinued operations;
- Certain disclosures required by IFRS 13 *Fair Value Measurement* and the disclosures required by IFRS 7 *Financial Instrument Disclosures*.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements) (continued)

1 Accounting policies (continued)

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.1 Measurement convention

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments, financial instruments classified as fair value through the profit or loss or financial investments classified as fair value through other comprehensive income.

1.2 Going concern

The Company meets its day-to-day working capital requirements through its intercompany current account facility. The Company's forecasts and projections, taking into account of reasonably possible changes in trading performance, show that the Company should be able to operate within the level of its current facilities. After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing its financial statements.

1.3 Foreign currency

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

1.4 Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other debtors, cash and cash equivalents, loans and borrowings, and trade and other creditors.

Trade and other debtors

Trade and other debtors are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition or issue. Subsequent to initial recognition they are tested for classification as per IFRS 9. If the trade debtors satisfy the criteria for cash flow characteristics test and business model test as per IFRS 9, then they are recognised at amortised cost. If they do not qualify for being recognised at amortised cost they are recognised at fair value through profit or loss.

Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements) (continued)

1 Accounting policies (continued)

1.5 Derivative financial instruments

Derivative financial instruments are recognised at fair value. The gain or loss on subsequent remeasurement to fair value is recognised immediately in profit or loss.

Trade and other creditors

Trade and other creditors are recognised initially at fair value less transaction costs that are directly attributable to the acquisition or issue. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

1.6 Intra-group financial instruments

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other companies within its group, the Company considers these to be insurance arrangements and accounts for them as such. In this respect, the Company treats the guarantee contract as a contingent liability until such time as it becomes probable that the Company will be required to make a payment under the guarantee.

1.7 Expenses

Interest receivable and interest payable

Interest payable includes interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions, and net foreign exchange losses that are recognised in the profit and loss account (*see foreign currency accounting policy*). Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Dividend income is recognised in the profit and loss account on the date the entity's right to receive payments is established. Foreign currency gains and losses are reported on a net basis.

1.8 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable profit or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements) (continued)

2 Operating loss

Auditors' remuneration:

	2018 €	2017 €
Audit of these financial statements	2,055	2,034
	2,055	2,034

The audit fee of €2,055 (2017: €2,034) has been recovered from a group company.

3 Staff numbers and costs

The Company had no employees during the year (2017: nil).

4 Directors' remuneration

None of the Directors received any fees or remuneration for services as a director of the Company during the financial year (2017: none).

5 Tax on loss

Recognised in the profit and loss account

	2018 €	2017 €
<i>UK corporation tax</i>		
Current tax on loss for the year	(2)	(22)
	(2)	(22)
Tax on loss	(2)	(22)
	(2)	(22)

Reconciliation of effective tax rate

	2018 €	2017 €
Tax on loss	(2)	(22)
	(2)	(22)
Loss before taxation	(13)	(114)
Loss before taxation multiplied by the standard rate of tax in the UK of 19.00% (2017: 19.25%)	(2)	(22)
	(2)	(22)
Total tax credit	(2)	(22)
	(2)	(22)

The UK Corporation tax rate was reduced from 20% to 19% with effect from 1 April 2017. The rate will reduce further to 17% from 1 April 2020.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements) (continued)

6 Debtors:

Due after more than one year	-	-

During the year the Company has not experienced a significant deterioration in the quality of debtor balances due to the current economic conditions.

7 Creditors: amounts falling due within one year

	2018 €	2017 €
Amounts owed to group undertakings	102,219	100,166
	<u>102,219</u>	<u>100,166</u>

8 Called up share capital

		Ordinary shares 2018
In thousands of shares		
On issue at 1 January and 31 December – fully paid		20
		<u>20</u>
	2018 €	2017 €
<i>Allotted, called up and fully paid</i> 20,000 (2017: 20,000) ordinary shares of £1 each	28,949	28,949
	<u>28,949</u>	<u>28,949</u>

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

As the reporting currency of the Company is the euro the share capital has been converted to euros at the effective rate of exchange ruling at the date of issuance.

Notes to the financial statements for the year ended 31 December 2018 (forming part of the financial statements) (continued)

9 Related parties

During the year the Company entered into transactions, in the ordinary course of business, with other related parties. The Company did not enter into any transactions with directors. The Company has taken advantage of the exemption under paragraph 8(k) of FRS 101 not to disclose transactions with fellow owned subsidiaries under common ownership.

10 Controlling parties

The immediate parent undertaking at 31 December 2018 was INEOS European Holdings Limited. The ultimate parent company at 31 December 2018 was INEOS Limited, a company incorporated in the Isle of Man.

INEOS Group Holdings S.A. is the parent undertaking of the smallest and largest group of undertakings to consolidate these financial statements. Copies of the financial statements of INEOS Group Holdings S.A. can be obtained from the Company Secretary, 58, rue Charles Martel, Luxembourg, L-2134, Luxembourg.

The directors regard Mr J A Ratcliffe to be the ultimate controlling party by virtue of his majority shareholding in the ultimate parent undertaking INEOS Limited.

11 Accounting estimates and judgements

Taxation

Management is required to estimate the tax payable and this involves estimating the actual current tax charge or credit together with assessing temporary differences resulting from differing treatment of items for tax and accounting purposes. These differences result in deferred tax assets and liabilities, which may be included on the consolidated balance sheet of the Company. Management have performed an assessment as to the extent to which future taxable profits will allow the deferred asset to be recovered. The calculation of the Company's total tax charge necessarily involves a significant degree of estimation in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority, or, as appropriate, through a formal legal process.

The Company has, from time to time, contingent tax liabilities arising from trading and corporate transactions. After appropriate consideration, management makes provision for these liabilities based on the probable level of economic loss that may be incurred and which is reliably measurable.

Details of amounts recognised with regard to taxation are disclosed in Note 5.

Impairment of debtors

The bad debt provision is used to record any impairment losses unless the Company is satisfied that no recovery of the amount owing is probable; at that point the amounts considered irrecoverable are written off against the trade debtors directly. As of 1 January 2018, IFRS 9 replaced the 'incurred loss' model in IAS 39 with a forward-looking 'expected credit loss' (ECL) model in assessing the recoverability of trade debtors. Due to the quality of the Company's trade debtors and its low history of bad debts the application of IFRS 9 did not result in a material change to the allowance for impairment in respect of trade debtors. The impact was calculated considering past experience and management's estimate of future developments. Management expects no considerable change in the future market situation. Consequently, the future credit losses in the ECL model are in the same range as the credit losses experienced in the past years. This is regarded as the future expectation of the inherent credit risk of the not impaired trade and other debtors outstanding. The Company will review the assumptions of the ECL model on a yearly basis.
