Notes to the Abbreviated Accounts for the period ended 31 March 2015**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT, billable periodically in accordance with the stage of completion of each contract.

Tangible assets depreciation policy

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:-

Land and buildings freehold - Nil

Land and buildings leasehold - straight line over the lease term

Plant and machinery - 15% reducing balance

Fixtures, fittings & equipment - 33% straight line

Motor vehicles - 25% reducing balance

No depreciation is provided in respect of freehold land and buildings. The freehold land and buildings are carried in the accounts at historic cost. This is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated, however, the directors are of the opinion that the departure is necessary in order to give a true and fair view as the resulting charge would be immaterial due both to the length of the remaining useful economic life of the assets and the fact that the estimated residual value of the assets is not materially difference from the carrying amounts.

Other accounting policies

Stock and work in progress - stock and work in progress comprises costs associated with the unbilled stage of completion of each contract at the year end. Stock and work in progress is valued at the lower of cost and net realisable value.

Deferred taxation - Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
