Strategic report for the year ended 31 March 2017

The directors present the Strategic report for the year ended 31 March 2017.

Principal activities

The principal activity of the company is to act as an investment holding company.

The company did not trade in the year to 31 March 2017 nor during the year to 31 March 2016. Accordingly, no income statement has been presented. In addition, the company has no items of other comprehensive income during the current or previous year and therefore no statement of other comprehensive income, or statement of changes in equity have been presented.

Business review

Review of the development and performance of the company

The company is a member of the group of companies headed by Turnstone Equityco 1 Limited ("the group"). The principal activities of the group are the operation of dental practices and the provision of materials, services and equipment to dental practices.

The group provides a range of National Health Service (‘NHS’) and private dental services from practices throughout the United Kingdom along with support services to other third party dental practices and the wider healthcare sector.

Strategy and future outlook

The company is expected to remain an investment holding company in the forthcoming year.

Principal risks and uncertainties

The company’s risks and uncertainties are integrated with the principal risks and uncertainties of the group. Accordingly, the principal risks and uncertainties of Turnstone Equityco 1 Limited, which includes those of the company, are discussed in the Strategic report in the financial statements of Turnstone Equityco 1 Limited which does not form part of this report.

The consolidated financial statements of Turnstone Equityco 1 Limited are publicly available and may be obtained from the Company Secretary, Turnstone Equityco 1 Limited, Europa House, Stoneclough Road, Kearsley, Manchester, M26 1GG.

On behalf of the Board

O Shafi Khan
Director
22 December 2017
Directors’ report for the year ended 31 March 2017

The directors present their report and the audited financial statements of Integrated Dental Holdings Limited for the year ended 31 March 2017.

Future developments

Please refer to the strategy and future outlook section of the Strategic report for a description of future developments.

Proposed dividend

The directors do not recommend the payment of a dividend for the year (2016: £nil).

Directors

The directors who held office during the year and to the date of this report were as follows:

C Davies
S Letters
B Moroney
M Prasad
T Riall  (appointed 8 May 2017)
O Shafi Khan  (appointed 16 October 2017)
N Whitley  (appointed on 31 July 2017)
WHM Robson  (resigned 31 July 2017)
T Scicluna  (resigned 31 March 2017)
A Spindler  (appointed 31 July 2017, resigned 12 October 2017)
S Williams  (resigned 31 July 2017)

The directors benefitted from qualifying third party indemnity provisions in place during the financial year and to the date of this report.

Statement of directors’ responsibilities

The directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland”, and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company’s transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
Directors’ report for the year ended 31 March 2017 (continued)

Disclosure of information to auditors
The directors who held office at the date of approval of this Directors’ report confirm that, so far as they are each aware, there is no relevant audit information of which the company’s auditors are unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company’s auditors are aware of that information.

Independent auditors
PricewaterhouseCoopers LLP have indicated their willingness to continue in office and a resolution that they be reappointed as auditors will be proposed at the annual general meeting.

On behalf of the Board

Independent auditors’ report to the members of Integrated Dental Holdings Limited

Report on the financial statements

Our opinion

In our opinion, Integrated Dental Holdings Limited’s financial statements (the ‘financial statements’):

• give a true and fair view of the state of the company’s affairs as at 31 March 2017 and of its result for the year then ended;
• have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
• have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Annual Report and Financial Statements (the “Annual report”) comprise:

• the balance sheet as at 31 March 2017; and
• the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland”, and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

• the information given in the Strategic report and Directors’ report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
• the Strategic report and the Directors’ report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic report and the Directors’ report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

• we have not received all the information and explanations we require for our audit; or
• adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
• the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors’ remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors’ remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.
Independent auditors’ report to the members of Integrated Dental Holdings Limited
(continued)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors’ responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) (‘ISAs (UK & Ireland)’). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company’s members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company’s circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors’ judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit.

If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Strategic report and Directors’ report, we consider whether those reports include the disclosures required by applicable legal requirements.

Director
Notes to the financial statements

1 Company information

Integrated Dental Holdings Limited (the ‘company’) is a private company limited by shares incorporated and domiciled in England. The address of the registered office is: Europa House, Europa Trading Estate, Stoneclough Road Kearsley, Manchester M26 1GG.

The principal activity of the company is to act as an investment holding company.

The company is a member of the group of companies headed by Turnstone Equityco 1 Limited (‘the group’). The principal activities of the group are the operation of dental practices and the provision of materials, services and equipment to dental practices.

2 Accounting policies

Basis of preparation

The financial statements of Integrated Dental Holdings Limited have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – The Financial Reporting Standard applicable in the United Kingdom and Ireland (‘FRS 102’), and with the Companies Act 2006.

The company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual undertaking and not about its group.

These financial statements are prepared on a going concern basis, under the historical cost convention.

The financial statements are presented in Sterling (£).

A summary of the more important accounting policies, which have been applied on a consistent basis, is set out below.

Exemptions for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions which have been complied with, including notification of, and no objection to, the use of the exemptions by the company’s shareholders.

The company has taken advantage of the following exemptions:

- from preparing a statement of cash flows, on the basis that it is a qualifying entity and that the company’s cash flows are included within the consolidated cash flow statement for the group;
- from preparing a reconciliation of the number of shares outstanding at the beginning and end of the financial year; and
- from disclosing the compensation paid to the company’s key management personnel; and
- from disclosing related party transactions between wholly owned entities that are part of the Turnstone Equityco 1 Limited group of companies.

Investments

Investments held as fixed assets are stated at cost less amounts written off for impairment.

Long-term intercompany balances, which have been generated by the holding company funding the subsidiaries’ acquisitions of dental practices, are treated as investments in the balance sheet.
Notes to the financial statements (continued)

2 Accounting policies (continued)

Impairment of investments

At each reporting date investments are reviewed to determine whether there is any indication that they have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected investment is estimated as the higher of its fair value less costs to sell or the value in use. This is then compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the income statement.

If an impairment loss subsequently reverses, the carrying amount of the investment is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the investment in prior years. A reversal of an impairment loss is recognised immediately in the income statement.

Financial instruments

Basic financial assets and liabilities, including amounts owed to and by group undertakings, borrowings and cash balances, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset’s original effective interest rate. The impairment loss is recognised in the income statement. If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the income statement.

3 Significant accounting judgements and estimates

In preparing the financial statements, the Directors are required to make significant judgements and estimates. The principal areas of the financial statements where judgements and estimates have been made are:

Impairment of investments

At each reporting date, investments are reviewed to determine whether there is any indication that they have suffered an impairment loss. In determining whether there is an indication of impairment a number of judgemental factors must be considered, including an estimate of the future economic benefits that can be derived from those assets and current market conditions.

Carrying value of financial assets and liabilities

At the end of each reporting period, the Directors assess the carrying value of financial assets for objective evidence of impairment. In addition, where financial assets or liabilities constitute a financing arrangement, the value of the asset or liability is measured by reference to the present value of the estimated future cashflows. Both of these estimates require the future cashflows arising from the financial assets or liabilities to be estimated and an appropriate discount rate to be selected.
Notes to the financial statements (continued)

4 Auditors’ remuneration
Auditors’ remuneration of £750 in respect of the year ended 31 March 2017 has been borne by a fellow group undertaking (2016: £250).

5 Directors and employees
The directors received no emoluments from the company for their services during the financial year (2016: £nil). The emoluments received as a director of a group trading company are disclosed in the financial statements of Petrie Tucker and Partners Limited for C Davies, S Letters, B Moroney, M Prasad, WHM Robson and S Williams and in the financial statements of Turnstone Equityco 1 Limited for T Scicluna.

The company has no other employees (2016: none).

10 Reserves

The following describes the nature and purpose of each reserve within shareholders’ funds:

Capital reduction reserve
This reserve arose as a result of a capital reduction which was approved by the High Court on 21 April 2004.

Merger reserve
The merger reserve arose as a result of shares issued to fund the acquisition of Whitecross Group Limited on 30 October 2000.

Capital redemption reserve
The capital redemption reserve is a statutory, non-distributable reserve which arose through the redemption and cancellation of the company’s own shares between 1996 and 2000.

Retained earnings
Cumulative net gains and losses recognised in the company income statement or through equity.
