**Notes to the Financial Statements**  
**For The Year Ended 31 July 2018**

**1. Accounting Policies**

**1.1. Basis of Preparation of Financial Statements**

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

**1.2. Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

**1.3. Tangible Fixed Assets and Depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & Machinery	25% on cost
Motor Vehicles	25% on cost

**1.4. Taxation**

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred taxation is measured on a non-discounted basis at the tax rates that are expected to apply in periods in which the timing differences reverse, based on tax rates and the law enacted or substantively enacted at the balance sheet date.

**1.5. Registrar Filing Requirements**

The company has taken advantage of Companies Act 2006 section 444(1) and opted not to file the profit and loss account, directors report, and notes to the financial statements relating to the profit and loss account. The notes which are not included have been hidden but original note numbering has remained the same for those that are present.
