Accountants' Report	1
Abbreviated Balance Sheet	2 to 3
Notes to the Abbreviated Accounts	4 to 5

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

2. The second part of the document outlines the various methods used to collect and analyze data. It includes a detailed description of the sampling process, which was designed to be representative of the entire population. The analysis shows a clear trend over time, with a significant increase in the number of transactions during the peak season.

3. The final part of the document provides a summary of the findings and offers recommendations for future research. It suggests that further studies should be conducted to explore the underlying causes of the observed trends and to develop strategies to optimize the system.

The data was collected over a period of six months, from January to June. The results show a steady increase in the number of transactions, with a particularly sharp rise in the last quarter of the study.

The following reproduces the text of the accountants' report in respect of the company's annual financial statements, from which the abbreviated accounts (set out on pages 2 to 5) have been prepared

**Chartered Accountants' Report to the Director on the Preparation of the Unaudited
Statutory Accounts of
Waterfront Manufacturing Ltd
for the Year Ended 31 March 2013**

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Waterfront Manufacturing Ltd for the year ended 31 March 2013 set out on pages from the company's accounting records and from information and explanations you have given us

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at icaew.com/membershandbook

This report is made solely to the Board of Directors of Waterfront Manufacturing Ltd, as a body, in accordance with the terms of our engagement letter dated 16 February 2006. Our work has been undertaken solely to prepare for your approval the accounts of Waterfront Manufacturing Ltd and state those matters that we have agreed to state to them, as a body, in this report in accordance with AAF 2/10 as detailed at icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Waterfront Manufacturing Ltd and its Board of Directors as a body for our work or for this report

It is your duty to ensure that Waterfront Manufacturing Ltd has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and profit of Waterfront Manufacturing Ltd. You consider that Waterfront Manufacturing Ltd is exempt from the statutory audit requirement for the year

We have not been instructed to carry out an audit or a review of the accounts of Waterfront Manufacturing Ltd. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts

Director

Waterfront Manufacturing Ltd

Notes to the Abbreviated Accounts for the Year Ended 31 March 2013

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows

Asset class	Depreciation method and rate
Plant and machinery	25% reducing balance basis
Fixtures and fittings	25% reducing balance basis
Office equipment	25% reducing balance basis

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account
