Anti-Waste (Restoration) Limited

Directors' report

The Directors present their annual report and the audited financial statements of Anti-Waste (Restoration) Limited ("the Company") for the year ended 31 December 2019.

Principal activity

The principal activity of the Company during the year ended 31 December 2019 was the provision of landfill site monitoring and decommissioning services.

Directors

The Directors who served during the year ended 31 December 2019 and up to the date of this report were as follows:

P Taylor

V F Orts-Llopis

Results and dividends

The results of the Company for the year ended 31 December 2019 are set out on page 12. The result for the financial year ended 31 December 2019 amounted to £nil (2018: £nil) as expected from recharging decommissioning costs. The Company did not pay an interim dividend during the year (2018: £nil) and furthermore, the Directors do not recommend the payment of a final dividend (2018: £nil). The result (2018: result) for the financial year has resulted in no movement (2018: no movement) in total equity in the year.

The Company's indirect parent company, FCC Environment (UK) Limited ("FCC E UK") manages its operations on a divisional basis and information regarding key performance indicators is included within the FCC E UK annual report. For this reason, the Company's Directors believe that the disclosure of further financial and non-financial key performance indicators for the Company is not appropriate for an understanding of the development, performance or position of the business. Copies of the FCC E UK annual report can be obtained from the address in note 15.

Going concern

The Directors continue to adopt the going concern basis in preparing the Directors' report and financial statements. Full details of the going concern considerations can be found in note 2 of the notes to the financial statements.

Directors' indemnities

During the financial year, qualifying third party indemnity provisions for the benefit of all Directors of the Company were in force and continue to be in force at the date of this report. Such provisions were made by the Company's ultimate parent undertaking, Fomento de Construcciones y Contratas, S.A. ("FCC").

Financial risk management

The Company is exposed to financial risk through its financial assets and liabilities. The most important components of financial risk are interest rate risk, credit risk and liquidity risk. Due to the nature of the Company's activities and the assets contained within the Company's balance sheet, the only financial risks the Directors consider relevant to the Company are liquidity and credit risk.

Liquidity and credit risk

The Company's exposure to liquidity and credit risk is reduced as it is a wholly owned subsidiary of FCC E UK and participates in a cash-pooling agreement with FCC E UK and FCC E UK's subsidiary undertakings (together the "Group"). Credit risk arises from the risk of having credit exposures to customers, including outstanding receivables. The Company reviews the credit ratings of all significant customers regularly and continues to monitor the quality of debtor balances on an ongoing basis. Liquidity risk is the risk that the Company does not have sufficient cash resources to meet its commitments. The Company prepares and reviews cash flow forecasts frequently to ensure that it has sufficient resources to meet its cash flow commitments.

Anti-Waste (Restoration) Limited

Directors' report

Economic

The decision to leave the European Union has resulted in a period of uncertainty for the UK economy and increased volatility in financial markets. A no deal Brexit scenario could influence consumer confidence, which in turn could affect and lead to lower sales volumes. We have reviewed the potential impacts and consider that we have sufficient mitigations in place. The Group's strategy is focused on growing through recycling and EfW where margins are generally higher than traditional landfill.

Covid-19

Covid-19 was declared a global pandemic on 11 March 2020 by the World Health Organisation and measures taken by governments around the world including the UK to combat this public health emergency have had far reaching implications on peoples' lives, economies and businesses. As a designated 'Key Worker' and provider of essential public services, the Group is well placed to weather the current period of uncertainty. In response to the crisis, the Group has established a Covid-19 committee consisting of the Group's executive management team whilst the Group also participates in a wider FCC global response committee. The team has had regular virtual meetings during the crisis with the welfare of employees, customers, suppliers and other stakeholders visiting our sites, the primary concern. The committee has considered and ensured the practical implementation of government guidelines and also managed the operational and financial implications for the business. Consideration of the impact on the Company's going concern status is set out in note 2.

Statement of Corporate Governance

Section 172 Companies Act 2006 recognises the position of trust that a director holds with regards to broader stakeholder interests when carrying out their duties to promote the success of the company.

For the year ended 31 December 2019, under The Companies (Miscellaneous Reporting) Regulations 2018, the Board has applied the Wates Corporate Governance Principles for Large Private Companies published by the Financial Reporting Council ('FRC') in December 2018 (the "Principles"). These Principles provide a framework for ensuring that the Company is well run, well managed and aligned behind a clear purpose.

As one of the UK's most trusted resource and waste management businesses, we are helping shape the policy landscapes, ensuring that our people, systems and strategy remain innovative and focused on delivering excellence.

The Company shares in common its Chief Executive Officer and Chief Financial Officer with the FCC E UK Group and FCC's wider UK Environment business. As a result, there is uniformity and consistency of strategy, policies, procedures and decision making across FCC's integrated UK Environment business. To reflect this, the following narrative on the Directors' application of the Principles, has been consistently reproduced in the annual report and financial statements of each FCC UK Environment business subsidiary and therefore some narrative may not be directly relevant to the Company.

Principle 1 – Purpose and Leadership

As a leading resource and waste management business, the Company has an essential role in delivering a resource-efficient, resilient nation.

The Company has always set itself apart as being a forward-thinking business. Our talented workforce upholds our commitment to sustainability by driving waste materials up the waste hierarchy by treating, recycling and disposing of waste, creating opportunities to build a circular economy and providing outstanding customer service.

Our focus is:

- Own the waste
- Maximise the value of the resource
- Produce renewable energy

The Company's strategy and core services are fully aligned with FCC's strategic growth plans.

Statement of Corporate Governance (continued)

Principle 2 – Board Composition

The Company has two directors, comprising of the Chief Executive Officer and Chief Financial Officer. The composition of the board promotes effective decision making and supports the delivery of the Company's strategy. Our Senior Management Team, with its extensive expertise, skills and professional backgrounds, provides the leadership assurance that the activities within our various business divisions' are aligned to our strategic goals. Each division of the Company is headed up by a member of the Senior Management Team with the expertise to allow them to independently, effectively and objectively focus on the issues specific to their division.

We have a respectful and inclusive culture and are working towards improving the diversity of the Board and in our Senior Management Team. In February 2019, the Company joined CEOs from 29 of the country's leading energy and utilities employers as they launched a long term sector inclusive commitment to attract a more diverse and inclusive talent into their industry, reflecting the communities they serve.

The Energy & Utilities Skills Partnership, led by sector employers, recognised in its Workforce Renewal Skills Strategy: 2020 that its current workforce failed to fully represent the 65 million people it served every day. The Inclusion Commitment challenges the sector to act and think differently and aims to inspire and connect with underrepresented groups, attracting new talent and ideas into the energy and utilities industry. The Company has always been a fair and equal employer and is working collaboratively with peers, including the Energy & Utilities Skills Partnership on The Inclusion Commitment had brought into sharp focus our achievements to date and the need to go even further to encourage diversity in its many forms

The Company introduced an Equality and Diversity Action Plan, and all staff undertook Equality and Diversity training in 2019.

Principle 3 – Directors Responsibilities

The Board supports our talented workforce, and upholds our commitment to sustainability. The Board agrees, and has the collective responsibility for the strategy of the Group. The Senior Management Team oversee the day to day responsibilities and opportunities of our very capable workforce.

The Board has established and maintained effective corporate governance through the Group's five values:

- Honesty and respect
- Focus on earnings
- Rigour and professionalism
- Loyalty and commitment
- Community well-being and development

These five values are the most important hallmarks of our Group, whose vision is to be an international reference Employee Services Group that offers global and innovative solutions for the efficient management of resources and the improvement of infrastructures, contributing to improving the quality of the life of employees and the sustainable progress of society.

Principle 4 – Opportunity & Risk

The Group seeks opportunity and investment, whilst maintaining a robust and integrated system of risk management and internal controls.

Opportunities are identified by maintaining deep knowledge and expertise of our sector to understand industry needs. This is achieved through liaison with stakeholders including customers, partner councils, local authorities as well as industry and regulatory bodies. We actively seek opportunities to leverage the Group's assets.

Operating in the UK's highly regulated waste management market, presents numerous risks and uncertainties to the Group. The principal risks and uncertainties affecting the Group and set out in detail on pages 2-3 of the Directors' Report.

Anti-Waste (Restoration) Limited

Directors' report

Statement of Corporate Governance (continued)

Principle 4 – Opportunity & Risk (continued)

The Board has developed and implemented risk management policies and procedures that promote a robust control environment at all levels of the organisation. The Senior Management Team ensures the right level of diligence, and robust measures are in place to identify risks and assess, consider, manage and prioritise any impact.

Principle 5 – Remuneration

The Board promote appropriate and fair levels of remuneration to attract and retain the best talent and create a business culture that promotes business stability, sustainable growth and the long term success of the Company and Group.

From April 2017, the Government introduced gender pay gap reporting for all companies with more than 250 employees. The gender pay gap shows the difference between the average hourly pay for men and women across all ages' roles and levels. The gender pay gap differs from equal pay, which is the right for men and women to be paid at the same rate of pay for work of equivalent value. In 2019, the Group's gender pay gap slightly favoured men with a mean of 2.44% and a median of 0.26%.

Principle 6 – Stakeholders

Our stakeholders are our employees, customers, suppliers, partner councils and local authorities, regulatory bodies and neighbours. Stakeholders can be anyone who is positively or negatively affected by our work, actions, achievements and/or purpose.

The Board is committed to promote accountability and transparency with all stakeholders, fostering effective stakeholder relationships and meaningful engagement.

FCC's UK Environment business which includes the FCC E UK Group has:

- Over 2,300 employees (nil in the Company)
- 100 major contracts with a total of 60 local authorities
- 280 UK sites of which 166 are operational
- 7 PFI and PPP Contracts
- 6,000 business waste customer agreements
- 3,500 customer accounts
- 4,000 customer sites

Stakeholders are at the forefront of our business. Liaison with trade customers, partner councils and local authorities is fundamental to ensuring that we understand their needs and continue to deliver the services that they require. Engagement with regulatory bodies is critical to ensuring that we manage the risks set out on pages 2-3 of the Directors' report and remain compliant with applicable laws and regulations.

The Group operates five EfWs, four of which have visitor centres which run educational visits for schools, colleges, universities and clubs. They also run community liaison meetings and engage with local business groups. The sites also engage in outreach visits in which the visitor centre managers and various staff visit the schools and colleges and even attended the Buckinghamshire Skills Show careers conference.

During the year, a selection of employees, representing support functions and operations enjoyed the CEO's Roadshow which was held in both the North and the South of the country. Paul Taylor took the opportunity to present his annual overview of the achievements and activities of the Group over the last 12 months with goals and aspirations going forward.

Principle 6 – Stakeholders

Further examples of how FCC's UK Environment businesses have engaged with various stakeholders during 2019 are as follows:

January 2019

Official opening of the new-look charity shop at Hesse HWRC, which was attended by the Lord Mayor of Kingston upon Hull, Vice Chairman of East Riding of Yorkshire Council, Councillors from both Hull City Council and East Riding of Yorkshire Council and the Chairman of Dove House Hospice.

February 2019

Members of Peterborough Council attended the official opening of a new Household Recycling Centre in Fengate.

March 2019

The Environment Agency Chief Executive and the interim Chief Executive of Natural England visited our Greatmoor EfW, which is the UK's largest single grate energy from waste facility.

April 2019

Wokingham U3A group had a tour of RE3 Limited's PFI recycling facility and left feedback confirming that they had found the tour very informative and thought provoking. They left feeling enthused and ready to improve their recycling habits. RE3 Limited is a sister FCC UK subsidiary for which the Group acts in the capacity of operations and maintenance ("O&M") contractor.

May 2019

The West Devon Collections Crew 4 were named the Collection Crew of the Year, at the Awards for Excellence in Recycling and Waste Management 2019 at London's Landmark Hotel. The West Devon contract is operated by sister FCC UK subsidiary, FCC Environment Services (UK) Limited. The Awards are run by Letsrecycle.com. The team also won the Recycle Devon Thank You Award for the second year in a row.

June 2019

Deeping St Nicholas Primary School and St Faith & St Martin Church of England Junior School were chosen as the joint winners of the FCC Lincolnshire Young Environmentalist Award 2019. The Group have sponsored this event for many years now.

July 2019

RE3 Limited produced their thirteenth Annual Environmental Report for 2018/2019 and the theme was engagement. This included the resident's engagement as part of Recycle Week in 2018, allowing residents to take part in the tours conducted at the facility and also included the details of RE3's new website upgrade launch in March 2019, allowing for easy navigation across the website which allows important information to be conveyed to the local residents.

August 2019

The Group launched their Be Aware and Take Care campaign across Recycling Centres urging residents to keep their kids, pets and themselves safe on sites.

September 2019

The Millerhill recycling and energy recovery centre officially opened. This is a state of the art facility operated under a 25 year partnership between, fellow FCC UK undertaking, FCC (E&M) Limited and The City of Edinburgh Council and Midlothian Council. The Group acts as O&M contractor to FCC (E&M) Limited. The official opening brought the Partner Councils and other key stakeholders together to celebrate the occasion.

Principle 6 – Stakeholders (continued)

October 2019

A group of media students from Suffolk New College teamed up with the Group to help raise awareness of waste disposal issues in the county. The students were approached to create content and campaigns for an ongoing marketing initiative that would encourage local residents to recycle.

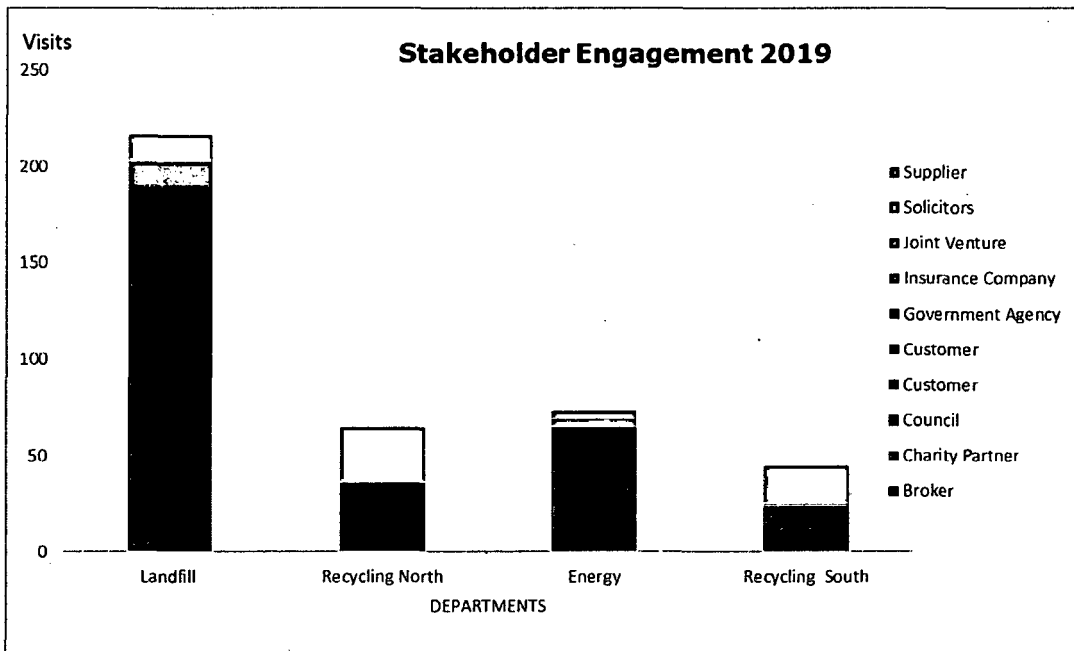

November 2019

Delegates from the Group took part in the WISH Worker Engagement and Leadership in Health and Safety Conference in Manchester to discuss a range of key sector issues including why health and safety leadership and worker engagement was crucial in today's corporate environment.

December 2019

The Group's client East Riding of Yorkshire Council were delighted to announce that their residents were top recyclers in England for a third year running. Government figures showed that East Riding of Yorkshire Council recycled, reused or composted more household waste than any other council in England in 2018/19.

The Group engage with our partner stakeholders, and below is a chart showing four typical departments, and the stakeholders they would typically engage with.

Post balance sheet event

The Covid-19 pandemic is a material non-adjusting event impacting the Group. Please see the principal risks and uncertainties section on pages 2-3 and the going concern section in note 2 for details of the considerations and implications on the Group.

Directors' report

Directors' responsibilities statement

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework".

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Pursuant to section 487 of the Act, the auditor will be deemed to be reappointed annually by the Company and Deloitte LLP will therefore continue in office until further notice.

Small companies exemption

This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. As a result of this exemption, the Company has elected not to prepare a separate Strategic Report.

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Anti-Waste (Restoration) Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 15.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Going concern

The Directors, having assessed the responses of their enquiries to the indirect parent company, FCC E UK, and have reviewed projected cash flows and carefully considered the risks to the Company's trading performance and cash flows. In light of the Covid-19 pandemic, the Directors have considered the impact that has been experienced by the Group in recent months with customers, suppliers, employees and other stakeholders as well as the impact on operating cash flows. The Directors have also performed and carefully considered a number of different forecast scenarios of varying severity to stress test the resilience of the Group's cash flows and trading performance. All scenarios provided sufficient comfort to the Directors.

The Directors therefore continue to adopt the going concern basis in preparing the Annual report and financial statements.

Revenue

Revenue was generated in the United Kingdom from the recharging of decommissioning costs.

Taxation

Revenue, expenses and assets are recognised net of the amount of sales tax except:

- where the sales tax incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- debtors and creditors are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of debtors or creditors in the balance sheet. Tax on the profit or loss for the year comprises current and deferred tax.

Decommissioning costs

Income from charges made to other Group companies in respect of the anticipated cost of final site decommissioning and monitoring costs is credited to the profit and loss account in the periods in which the associated costs arise. Expenditure on the final site decommissioning and monitoring made on behalf of other Group companies is debited to the profit and loss account in the periods in which the associated costs arise.

3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 2, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no areas of significant judgement or specific estimates or assumptions relevant to the Company.

4. Revenue

All revenue was generated in the United Kingdom principally from the provision of landfill site monitoring and decommissioning services.

5. Result on ordinary activities before taxation

Auditor's remuneration in respect of audit fees totalling £1,000 (2018: £1,000) has been met by FCC Recycling (UK) Limited, a fellow subsidiary undertaking of FCC E UK.

In accordance with SI 2008/489 the Company has not disclosed the fees payable to the Company's auditor for 'Other services' as this information is included in the consolidated financial statements of FCC E UK.

6. Directors' remuneration and transactions

None of the Directors received any remuneration or other benefits through the Company during the year ended 31 December 2019 or the previous financial year.

They are all remunerated as directors or employees of FCC E UK for services to the Group as a whole and as such it is not possible to directly attribute any element of their remuneration to services as a director of this Company. The Directors received total remuneration of £639,000 for services to the Group as a whole in the year ended 31 December 2019 (2018: £647,000). Certain Directors were remunerated by fellow subsidiary companies of FCC without recharge to the Group. The Company had no employees during the financial year ended 31 December 2019 or the previous financial year.

7. Tax on result

There is no corporation tax charge (current or deferred) for either the financial year ended 31 December 2019 or the previous financial year. No provision for deferred tax was considered necessary and there is no unprovided deferred tax.
