NOTES TO THE ABBREVIATED ACCOUNTS
for the year ended 30 April 2015

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods arising from operating a quarry, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2.5% on cost
Plant and machinery	- 20% on cost
Fixtures and fittings	- 10% on cost
Motor vehicles	- 25% on cost

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Government grants

Grants towards capital expenditure are credited to deferred revenue and are released to the profit and loss account over the expected useful life of the assets. Grants towards revenue expenditure are credited to the profit and loss account as the related expenditure is incurred.

Investments

Investments held as current assets are stated at cost less provision for any permanent diminution in value.
