**Respective Responsibilities of Directors and Auditors**

The directors are responsible for preparing the abbreviated accounts in accordance with Schedule 8 to the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to the exemptions claimed in the directors' statement on page 2 and whether the abbreviated accounts have been properly prepared in accordance with that Schedule.

## NOTES AND ACCOUNTING POLICIES

YEAR ENDED 31 MARCH 1996

## 1. ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards. The following principal accounting policies have been applied:

a) Turnover

Turnover represents sales at invoice value less trade discounts allowed and excluding value added tax.

b) Tangible Fixed Assets and Depreciation

Tangible assets other than freehold land are depreciated over their estimated useful lives, at the following rates:

Freehold buildings	0%
Office equipment	15% on written down value
Equipment	20% on written down value
Fixtures and fittings	15% on written down value
Motor vehicles	25% on written down value

No depreciation is provided on freehold property. It is the company's policy to maintain its buildings in such condition that the value is not impaired by passage of time. Such expenditure is charged to profits in the year in which it is committed. As a consequence any element of depreciation would, in the opinion of the directors, be immaterial and no provision has been made.

c) Stock

Stock is stated at the lower of cost and net realisable value using the first in first out method.

Cost comprises the direct cost of production and the attributable proportion of all overheads appropriate to location and condition. Net realisable value is the estimated selling price reduced by all costs of completion, marketing, selling and distributing.

d) Deferred Taxation

Provision is made for deferred tax, using the liability method, to the extent that it is probable that a liability will crystallise in the foreseeable future.

e) Pension Costs

Retirement benefits for directors and certain employees are provided by money-purchase schemes which are funded by contributions from the company. Contributions are charged against profits of the year in which they are paid.
