NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. STATUTORY INFORMATION

Worldmate Services Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

5. RELATED PARTY DISCLOSURES

At 31 December 2016 an amount of £14,501 (2015: £14,501) was owed by World Mate , a company in which Mr N C Patel is a director.

An amount of £35,451 (2015: £35,451) is due from Cosmomate (UK) Limited, the immediate parent undertaking.

The company shares premises with a number of related companies. Some common expenses are paid by one company and recharged to the others as appropriate.

6. TRANSITION TO FRS 102

This is the first year that the company has presented its results under FRS 102. The last financial statements under the UK GAAP were for the year ended 31 December 2015. The date of the transition to FRS 102 was 1 January 2015.

There is no change and no adjustment with regards to the changes in accounting policies which reconcile profit for the financial year ended 31 December 2015 and the total equity as at 1 January 2015 to 31 December 2015 between UK GAAP as previously reported and FRS102 would therefore not have any reconciling items and is therefore not presented.
