EVERCORE PARTNERS INTERNATIONAL LLP

MEMBERS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2013

The members present their annual report on the affairs of Evercore Partners International LLP, together with the financial statements and auditor's report, for the year ended 31 December 2013.

Group Structure

Evercore Partners International LLP (the 'LLP') is incorporated as a Limited Liability Partnership under the Limited Liability Partnerships Act 2000. It operates out of its principal office in London, and further offices in Aberdeen and Madrid.

The LLP is authorised and regulated by the Financial Conduct Authority as an exempt CAD firm.

These financial statements are the accounts of the LLP and reflect the results for the year ended 31 December 2013. All comparators are for the year ended 31 December 2012.

Principal activities

The LLP is the European Investment Banking arm of the Evercore Group, a leading independent investment banking advisory firm. Evercore's Investment Banking business advises its clients on mergers, acquisitions, divestitures, restructurings, financings, public offerings, private and secondary placements and other strategic transactions. The Members do not expect any change in the nature of the core activities in the foreseeable future and intend to focus on continuing to develop this business.

Business Review

The results for 2013 showed a 4% growth in turnover to £58.3m (2012: £55.8m) achieved in a period when the European M&A markets remained relatively depressed.

Administrative expenses were increased to £43.5m (2012: £39.9m) an increase of 9%. This is a result of an increased intra-group charge in relation to charges for services of £10.6m (2012: £2.6m); this was partially offset by savings achieved through the consolidation of the London operations within one building, and rationalisation of other administrative contracts following the integration of the Lexicon Partnership LLP.

The LLP's management board, The Executive Committee, is of the view that the integration of the two businesses, Evercore's legacy European business and The Lexicon Partnership LLP, acquired in August 2011 is now complete. The level of pipeline and deal flow leading into 2014 is sufficient to support the development of the business. The results and the financial position at the year-end were considered satisfactory by the Members.

Members remain focussed on business development, key client relationships, recruitment and optimisation of new business opportunities. The LLP plans to improve on recent turnover growth and develop the talent within the business whilst managing the cost base, with a view to generating additional member value and profits for retention within the business.

EVERCORE PARTNERS INTERNATIONAL LLP

MEMBERS' REPORT (continued) FOR THE YEAR ENDED 31 DECEMBER 2013

Principal risk and uncertainties

The principal risks and uncertainties inherent with the LLP's strategy include

- Deal flow
- Employee development and retention
- Operational risk.

In each case, the risks are formally reviewed by the Executive Committee and appropriate processes are in place to monitor and mitigate them to an acceptable level. The LLP conducts an annual review of the risks inherent within the business, assesses the impact of the risk and considers mitigating factors and controls in place.

The members are satisfied that the LLP operates systems and controls to mitigate any adverse effects across the range of risks it faces

Going concern

The LLP is expected to generate positive cash flows on its own account for the foreseeable future. In addition, the LLP has financial support from its ultimate parent undertaking by way of intercompany loans. It continues to have the support of this funding for the foreseeable future.

The members, having assessed the responses of the directors of the LLP's ultimate parent, Evercore Partners Inc., to their enquiries have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Evercore group to continue as a going concern or its ability to continue its support of Evercore Holdings Limited and its subsidiaries.

Further details regarding the adoption of the going concern basis can be found in the Statement of accounting policies in the financial statements.

Key performance indicators (KPIs)

Throughout the year the Members monitor the LLP's Key Performance Indicators ("KPIs") which include advisory fees, revenue per SMD, current pipeline (deal flow), compensation expense as a ratio of revenue, expenses as a ratio of revenue, and profit available for distribution.

Results and dividends

The results for the year are set out on page 7.

The LLP has appointed an Executive Committee which has the authority to act on its behalf in all matters in connection with the business and shall carry out its duties in such manner as it considers being in the best interests of the LLP.

During the year the Executive Committee comprised the CEO - Andrew Sibbald, the COO - Matthew Lindsey Clark, the CFO - Bruce Weir, together with Mark Connell, Ed Banks, Read Gomm, Julian Oakley, David Waring, Davinder Bahia, Angus Winther and a representative of Evercore Partners Ltd; all of whom were members of the LLP.

Members' drawings and subscription and repayment of capital

Individual Members are entitled to a fixed and discretionary profit share and a share of distributable cash, to be determined by the Executive Committee in agreement with the Corporate member, Evercore Partners Limited. The Executive Committee may determine the amount of cash to be distributed in a period provided they do not agree to distribute an amount that would cause the LLP to be in breach of its regulatory capital requirements.

Should the LLP require further capital funding, the LLP Deed provides for such a request to be made of the Corporate member, Evercore Partners Limited. Capital funding is made by way of an equity injection.

MEMBERS' REPORT (continued) FOR THE YEAR ENDED 31 DECEMBER 2013

Statement of members' responsibilities

The members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the LLP and of the Group and of the profit or loss of the Group for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the firm will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to limited liability partnerships. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the LLP's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

These responsibilities are exercised by the Executive Committee on behalf of the members.

Statement of disclosure to auditor

So far as the members are aware, there is no relevant audit information of which the LLP's auditor is unaware. Additionally, the members have taken all the necessary steps that they ought to have taken as members in order to make themselves aware of all relevant audit information and to establish that the LLP's auditor is aware of that information. This confirmation is given and should be interpreted in accordance with the provision of s418 of the Companies Act 2006.

EVERCORE PARTNERS INTERNATIONAL LLP

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EVERCORE PARTNERS INTERNATIONAL LLP

We have audited the financial statements of Evercore Partners International LLP for the year ended 31 December 2013 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement and Notes 1 to 21 to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the limited liability partnership's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited liability partnership and the limited liability partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the members and auditors

As explained more fully in the Members' Responsibilities Statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the limited liability partnership's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the designated members; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

We have nothing to report in respect of the following matters where the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

EVERCORE PARTNERS INTERNATIONAL LLP

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The LLP's business activities, together with the factors likely to affect its future development, performance and position are set out in the Business Review on page 1.

The LLP has liquid assets of £10,194,684 (2012: £18,929,954) and net current assets of £28,407,644 (2012: £30,343,908). The members expect the LLP to continue to be profitable in the future and as a consequence they believe that the LLP is well placed to manage its business risks successfully.

After making enquiries, the members have a reasonable expectation that the LLP has adequate resources to continue in operational existence for the foreseeable future.

Accordingly, they have adopted the going concern basis in preparing the members' report and accounts.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Limited Liability Partnership Statement of Recommended Practice, which have been applied consistently in the current and preceding period.

1.3 Turnover

Turnover represents amounts receivable for success fees, retainer fees and reimbursed expenses net of VAT and discounts. Success fees and reimbursed expenses are recognised when the relevant event that determines success has occurred, as defined in the engagement letter. Retainer fees are accrued based on agreed terms and invoicing timetable with the client.

1.4 Other intangible assets

Other intangible assets are acquired mandates and client relationships written off in equal annual instalments over their estimated useful economic lives of 4 - 7 years.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Leasehold	Over the term of the lease
Plant and machinery	3 years
Fixtures, fittings & equipment	3 years
Motor vehicles	3 years

EVERCORE PARTNERS INTERNATIONAL LLP

NOTES TO THE FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2013

1 Accounting policies (continued)

1.5 (continued)

Works of art are not depreciated as the estimated residual value is expected to be greater than the cost. Works of art are included within plant and machinery in Note 7.

Finance costs which are directly attributable to the construction of tangible fixed assets are capitalised as part of the cost of those assets. The commencement of capitalisation begins when both finance costs and expenditures for the asset are being incurred and activities that are necessary to get the asset ready for use are in progress. Capitalisation ceases when substantially all the activities that are necessary to get the asset ready for use are complete.

1.6 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.7 Pensions

The LLP operates a defined contribution scheme for the benefit of its members and UK based group employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.8 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.9 Share based compensation

In accordance with FRS 20 'Share-based payment', the LLP reflects the economic cost of awarding shares and share options to employees by recording an expense in the profit and loss account equal to the fair value of the benefit awarded, fair value being determined by reference to option pricing models. The expense is recognised in the profit and loss account over the vesting period of the award.

The shares and share options are awarded to the LLP's employees by the ultimate parent company. The ultimate parent company charges the LLP for the provision of equity instruments to the employees. The difference between the amount recharged to the company by the ultimate parent company and the expense in accordance with FRS 20 is recorded directly in the members' other reserves.

In accordance with UITF 25 'National Insurance contributions on share option gains' the employer's National Insurance charge arising on future potential gains on the exercise of stock options is charged to the profit and loss account over the period from the date of grant to the date of vesting. The charge is based on the closing market value of the shares at the balance sheet date and is calculated using the latest enacted National Insurance contribution rates.

EVERCORE PARTNERS INTERNATIONAL LLP

NOTES TO THE FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2013

1 Accounting policies (continued)

1.10 Taxation

The taxation payable on the partnership profits is the individual liability of the members, although payment of such liabilities is administered by the partnership on behalf of the members. Consequently, neither partnership taxation nor related deferred taxation are accounted for in the financial statements. Sums set aside in respect of members' tax obligations are included in the balance within loans and other debts due to members or set against amounts due from members as appropriate.

1.11 Members' remuneration

Remuneration paid to members under a schedule of terms, any other non-discretionary amounts payable to members and any automatic divisions of profit are recognised as an expense in the profit and loss account as incurred, under the heading 'Members' remuneration charged as an expense'.

A division of profits that is discretionary on the part of the LLP is recognised as an appropriation of profit when the division occurs. Until such division is made the profits are held as equity interests of the members.

1.12 Members' interests

Members' interests are the rights of a member against the LLP that arise under the members' agreement (for example, in respect of amounts subscribed or otherwise contributed, remuneration and profits).

Members' interests in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with FRS25 Financial Instruments Disclosure and Presentation and UITF abstract 39 Members' shares in co-operative entities and similar instruments. A members' interest results in a liability unless the right to a payment is discretionary on the part of the LLP.

Amounts subscribed or otherwise contributed by members, for example members' capital, are classified as equity if the LLP has an unconditional right to refuse payment to members. If the LLP does not have such an unconditional right, such amounts are classed as liabilities.

The intangible assets were valued at fair value by estimating the present value of the future cash flows of revenue generated by the mandates and relationships. On 1 July 2011, the intangible assets were transferred to the LLP as part of the business transfer.

13 Restricted Stock Units

During the year Evercore Partners International LLP participated in an equity incentive plan of Evercore Partners Inc., the ultimate holding company, to motivate employees and members and allow them to participate in the ownership of its stock through the award of Restricted Stock Units ("RSUs"), which represent the right to a future payment equal to one share of Evercore Partners Inc. stock. RSUs typically vest over a period of four or five years beginning on the first anniversary of the award date, and to the extent RSUs are outstanding at the time a dividend is paid on common stock, a dividend equivalent is paid to the holders of the RSUs.

RSUs are issued to employees and members as part of an annual bonus award and as compensation for new hires. Evercore Partners International LLP accounts for these awards by recording a charge to compensation expenses.

The RSUs are valued in the company accounts using the weighted average share price on the day the equity award is entered into. When the RSU vests, once the criteria per the agreement have been met, an adjustment is made in the accounts to reflect the actual cost of the equity transferred to the employee or member using the average share price on the day of vesting.

The number of units awarded in the period was 313,863 (2012: 414,507) with a weighted average fair value of £24.98 (2012: £17.93). The fair value is based on the market price of Evercore Partners Inc.'s shares.

Evercore Partners International LLP recognised total expenses in respect of RSUs of £5,873,632 (2012: £2,735,087) in the period.

Evercore Partners International LLP owes £7,765,761 (2012: £4,173,217) to Evercore Partners LP in relation to stock amortisation recharges.
