## DIRECTORS' REPORT (CONTINUED)

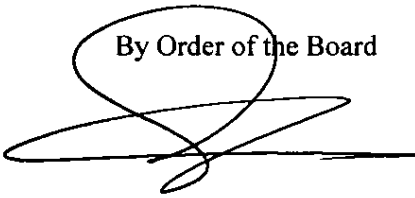

### Statement of Directors' Responsibilities

Company law in the United Kingdom requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. The Directors are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that suitable accounting policies have been used and applied consistently, as explained on page 4 under Note 1 'Accounting Policies'. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the period ended 31 January 2009 and that applicable accounting standards have been followed.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
