Directors' Report

The Directors present their Report to the member together with the audited financial statements for the year ended 31 December 2010

Business review

The principal activity of the Company is and will continue to be to act as General Partner of the four Limited Partnerships forming Doughty Hanson & Co IV (the "Fund")

Despite the challenges presented by the current financial and economic outlook, the Directors expect the performance of the Company and the Fund that it operates to remain resilient. Doughty Hanson & Co's annual review, published in March 2011 and available via the global website, outlines activities throughout the portfolio of investments and again emphasises the focus on developing long-term sustainable businesses and assets

Given the nature of the business, the Company's Directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business

Results and dividends

The results for the year are set out in the profit and loss account on page 7. The Directors do not recommend the payment of a dividend for the year (2009 - £nil)

Liability insurance

The Company has professional indemnity insurance in place in respect of the duties of the Directors and Officers

Directors

The Directors of the Company who served during the year were as follows

Doughty Hanson & Co IV Limited

Directors' Report (continued)

Principal risks and uncertainties

The Company's operations expose it to a variety of risks, the most significant are considered to be exchange risk, legal and regulatory risk and operational risk

Exchange risk

Exchange risk arises due to currency differences between the income and expense base. The level of this risk has been considered to fall within acceptable parameters to date, but the Company continues to review its exchange rate management policy to ensure they are appropriate.

Legal and regulatory risk

The Company operates in the UK. The regulatory environment is becoming more complex and demanding and in response to this the Company has maintained its arrangements for regulatory compliance through the retention of recognised professional advisers who advise on the compliance function. Regular internal compliance reviews are undertaken and recommendations are approved and implemented by the Board where appropriate.

Operational risk

This includes personnel risk, IT risk, and business disruption. These risks are mitigated by the recruitment and retention of suitably qualified staff with remuneration set at an appropriate level, use of appropriate Directors and Officers, insurance and business continuity provisions.

Independent Auditors

PricewaterhouseCoopers LLP have been appointed as the auditors of the Company. In accordance with Section 485 of the Companies Act 2006, a resolution for their appointment will be proposed at the forthcoming Annual General Meeting.

Doughty Hanson & Co IV Limited

Directors' Report (continued)

Statement of Directors' Responsibilities in respect of the Annual Report and the Financial Statements

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law, the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors confirm that they have complied with the above requirements in preparing the financial statements

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each Director is aware, there is no relevant audit information of which the Company's auditors are unaware. Each Director has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Doughty Hanson & Co IV Limited

Independent Auditors' Report to the member of Doughty Hanson & Co IV Limited

We have audited the financial statements of Doughty Hanson & Co IV Limited for the year ended 31 December 2010 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of Directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2010 and of its profit and cash flows for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Doughty Hanson & Co IV Limited

Notes to the financial statements for the year ended 31 December 2010

1 Accounting policies

Basis of accounting

These financial statements are prepared on the going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable UK Accounting Standards. The principal accounting policies which have been applied consistently are set out below.

The headings and formats adopted in the profit and loss account have been adapted from those specified in the Companies Act 2006 as, in the opinion of the Directors, those adopted more appropriately reflect the nature of the Company's business.

Fixed asset investments

Investments are valued at cost less provision, if appropriate, for impairment.

Limited Partnerships and Investments

As at 31 December 2010 the Company managed four private equity Limited Partnerships in which it has a small participating interest and for which it acts as the General Partner. Investments held through the Limited Partnerships are made with the express intention of capital appreciation.

Through the investments in the Limited Partnerships, the investee companies held by the Limited Partnerships could be considered technically to be subsidiaries. However, investments held by the Fund are not included in the Company financial statements since there are severe long term restrictions over the rights of the General Partner in relation to the Limited Partnerships.

Deferred taxation

Provision is made in full for all taxation deferred in respect of timing differences that have originated but not reversed by the balance sheet date. No provision is made for taxation on permanent differences. Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered. Deferred tax assets and liabilities recognised have not been discounted.

Income recognition

Partnership income is recognised as earned in accordance with the Limited Partnership Agreements from the date of signing the individual Limited Partnership Agreements.

Preferential drawings

Preferential drawings received are taxed when sufficient income and capital receipts are earned in the underlying Limited Partnerships of which the Company acts as General Partner. This timing difference gives rise to a deferred tax liability.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at rates of exchange ruling at the end of the financial year. Transactions denominated in foreign currency are translated into sterling at the rate of exchange ruling on the date of transaction. Foreign exchange differences are taken to the profit and loss account in the year in which they arise.

During the year, as a result of the change in the UK main corporation tax rate from 28% to 27% that was substantively enacted on 20 July 2010 and effective from 1 April 2011 the relevant deferred tax balances have been re-measured at a rate of 27.25%

The UK Budget that was announced on 23 March 2011 and was substantively enacted on 29 March 2011, includes a reduction in main rate of corporation tax from 28% to 26% from 1 April 2011 which is in addition to the decrease to 27% enacted in July 2010. Further decreases are expected in future finance bills. These changes had not been substantively enacted at the balance sheet date and therefore are not included in these financial statements. It is not possible to estimate the impact of the effects of the changes in the tax rate due to future uncertainty.
