

INTRODUCTION

We have pleasure in introducing this insurance policy from The Equine and Livestock Insurance Company Limited for people who own dogs and cats. Much careful research went into devising the policy. **We** hope **you** will be pleased with the level of cover and the service **we** are offering.

This is a master policy wording showing all sections of cover available for all **our pet** insurance schemes. Some sections of cover offered may not apply to **your** insurance.

Please check **your** policy schedule to see what sections of cover are applicable to **your** insurance cover.

Lifetime Cover

If **you** have chosen 'Lifetime Cover' (please refer to **your** schedule where it will expressly stipulate 'Lifetime' as **your** chosen Cover) **we** undertake not to endorse **your** policy with a **veterinary fees** exclusion in respect of Conditions displaying **Clinical signs** during the

Policy term.

We reserve the right, upon each renewal of **your** policy, to make changes to the scope of **your** insurance cover including, but not limited to, **excess** and premium levels. **You** have to renew the policy and make each premium payment for 'Lifetime Cover' to remain in force.

However, there is no guarantee that **we** will offer to renew **your** insurance and/or **we** may cease to underwrite the policy at any time for whatever reason.

What you should do

Please read the policy as soon as **you** receive it. If **you** filled in an out-of-date proposal form or this is a renewal, **we** recommend **you** read the policy carefully as it may contain new benefits, terms and conditions. If **you** do not keep to the conditions, **your** policy could become void or **we** may not be able to accept liability for a claim.

It is up to **you** to make sure that the entire policy and policy schedule meet **your** needs; **you** must tell **us** immediately if this is not the case.

YOUR PROMISE TO US

Your promise

You promise that **your pet** is sound and in perfect health at the start (and renewal for non-lifetime cover) of the **policy term**, and that **your pet** does not have any **illness** or injury except for those notified to **us**. Any **pet** that does not meet these health standards will not be covered for any **illness** or injury present at commencement of the **policy term**.

You promise that when travelling outside of the **UK** **you** have taken all necessary steps in an attempt to conform to current government regulations concerning the **Pet Travel Scheme** including:

When travelling from the UK to another EU country:

- Having **your pet** fitted with a microchip
- Having **your pet** vaccinated against rabies and have booster vaccinations whenever necessary

- Having a **pet passport**

When entering the UK from the EU and listed non-EU countries:

- Having **your pet** fitted with a microchip
- Having **your pet** vaccinated against rabies and have booster vaccinations whenever necessary
- Having **pet** travel documentation - **pet passport**
- Having Tapeworm **treatment** (dogs only). This must be carried out between 24 and 120 hours before **your** arrival time in the **UK**
- Arrange for **your** animal to travel with an approved transport company on an authorised route

A breach of the two above promises will invalidate **your** cover, null and void from policy inception.

PARTICULAR POINTS ABOUT COVER

The policy covers **your pet** whilst **you**, or anyone with **your** permission, is looking after it.

We only insure **you** when **we** accept a satisfactory proposal form and issue a policy schedule, and when **you** have paid **us** the correct premium before the start date of the **policy term** or within 28 days if **we** allow a credit period to an intermediary.

If **we** are told about any claims under the policy in any **policy term**, **we** will not have to return any part of the premium for that period of time.

The proposal form **you** fill in is the basis of this contract. **We** provide insurance under the policy for the specific sections in the policy schedule (or any endorsement) for events that occur anywhere in the **UK** or in **agreed countries** during the period of insurance. **We** as the insurer and **you**, as the insured, are entitled to choose the law applicable to this contract of insurance. **We** propose English law and in the absence of any agreement to the contrary, English law will apply.

The policy schedule is important. It lists the cover **you** have chosen, it is proof of **your** insurance and it may be needed if **you** have a claim. The policy depends on the warranties (promises), conditions and exclusions stated in it. **We** are liable only up to the limit of cover shown in the policy schedule. **Your** intermediary will not be or become **our** intermediary for giving notice about any claims or any other matter. If **you** ask, **we** may agree to change any part of the policy.

We cannot be held liable for any mistakes or omissions by an intermediary who has arranged the insurance on **your** behalf.

Renewals

These terms and conditions include a provision that **your** insurance cover will automatically renew at the end of the insured term unless **you** specifically tell **us** that **you** do not wish for **your** insurance to renew.

By agreeing to these terms and conditions, **you** are also confirming that upon each renewal of **your** policy, unless **you** tell **us** otherwise, **you** want **us** to make the following changes to the terms of **your** insurance:

- (a) Such changes as **we** believe, in good faith:

- (i) are appropriate for the type of policy **you** hold with **us**; and
- (ii) will produce an overall benefit for **you**.

Those changes may include changes to the scope of the insurance cover (i.e. what is insured), the benefits which **your** policy provides, and associated changes to the cost of insurance.

- (b) Such other changes which **we** believe, in good faith, **we** have a valid reason to make. Those changes may include:
 - (i) changes made to clarify the terms of the policy;
 - (ii) changes which are necessary to reflect changes in applicable laws and regulations; and
 - (iii) changes to the cost of the insurance cover to reflect changes in **our** own costs and other economic considerations.

We do appreciate, however, that when the time comes **you** may not want **us** to make those changes, and **we** explain below the protections **we** will put in place to ensure that **you** have an opportunity to consider those changes and to refuse them, should **you** wish to do so, before **your** insurance is renewed.

We will always provide **you** with full written details of any changes which **we** intend to make to the terms of **your** insurance cover at least 21 days before **your** policy is due for renewal, which is when those changes would be due to take effect. **We** will not be entitled to make any changes unless **we** provide **you** with those details within that time-frame.

You will then have the right to tell **us**, within 14 days of receiving those written details, that **you** do not wish **your** policy to be changed in the manner notified to **you**. If **you** exercise that right, **we** will give **you** the opportunity to either:

- (a) renew **your** policy without any changes;
- (b) renew **your** policy subject to any alternative changes which **we** may offer to **you**; or
- (c) not renew **your** policy at all. **You** can also cancel **your** policy at any time in any case.

Full details relating to **your** cancellation rights are set out in this policy wording.

Disclosing material facts

You are obliged to inform **us** of any **material fact** that affects the risks **we** insure. If **you** are in any doubt whether a fact is material, **you** should disclose it.

Fraud Prevention and the sharing of information

If **we** are in possession of information which **we** believe to be untrue, misleading or potentially fraudulent, **we** will pass the information to the relevant legal/statutory bodies.

We may also share information with other organisations in the prevention of fraudulent claims.

Chief Executive Officer

10. If **your pet** has suffered from a **condition** that has not been disclosed to **us** at the inception of the policy, **we** may place an exclusion retrospectively to the date of inception.
11. **You** must always take reasonable steps to prevent accidents, **illness**, loss and damage and to minimise any claims under this policy. **You** must have the **pet** wormed regularly and protect it from infections or contagious disease by keeping it isolated. **You** must also have the **pet** vaccinated against distemper, hepatitis, leptospirosis, parvovirus for dogs, kennel cough when entering a boarding kennel or show, and feline infections such as enteritis and cat flu for cats. **You** must also agree to have **your pet** vaccinated against any other disease **your** vet feels is necessary.
12. If any loss, damage or liability is insured by any other policy (or would be insured if this policy did not exist) **we** will not be liable for the whole claim. **We** will only pay anything over the amount which should have been paid under that policy (or policies) if this insurance had not been taken out.
13. If any dispute arises as to the amount to be paid under the policy, it may be referred to an arbiter to be appointed by the parties in accordance with the statutory provisions in force at the time. This provision for arbitration adds to **your** legal rights and does not replace them.
