Distributor Requirements

Edmentum International is seeking distribution partners to help it introduce its learning solutions to new markets, and can provide the following to facilitate this:

- Full product training for you and/or your sales team.
- Access to full-color marketing materials, for face-to-face and email use.
- Remuneration on a successful lead basis.

To qualify for a specific geographic area, potential partners need to:

Essential

Have a good understanding of their local international education market.

- Have knowledge of online learning and other online learning suppliers operating in their area.
- Be willing to feed their market knowledge into our marketing and commercial strategies for our mutual benefit.

Desirable

- Have a sales team experienced in promoting educational products to both international schools and wider educational bodies in your area.

Once the school (or other educational establishment) has shown interest in one of our products, we will organize the necessary product demonstrations to make the sale, and provide ongoing customer support from thereon in. Payment for the successful lead will be payable once the first sales contract has been signed.
