Log in to your Edmentum Account

1 To log in, go to <https://login.edmentum.com>.

2 Enter the Account Login, User Name, and Password that your teacher has given you.

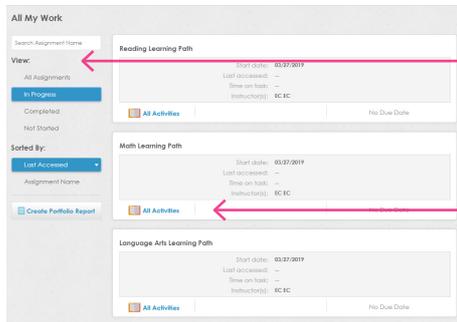

3 Click 'Log in to your Edmentum Account'.

Here's what you will see when you log in to Exact Path. Turn to the next page to find out what each number in the header refers to!

1 All My Work

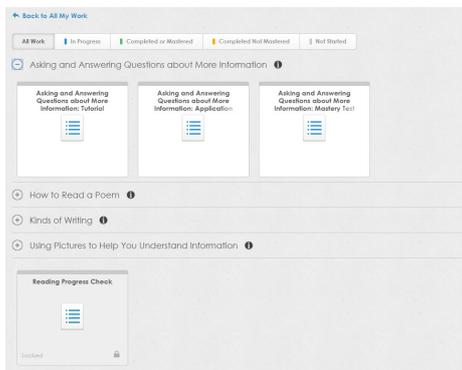

In All My Work you can see all the courses that you are currently taking.

Click here to filter your assignments by status.

Click here to access the assignments within your learning path.

Once you've clicked on All Activities, you can see the individual elements you need to work through.

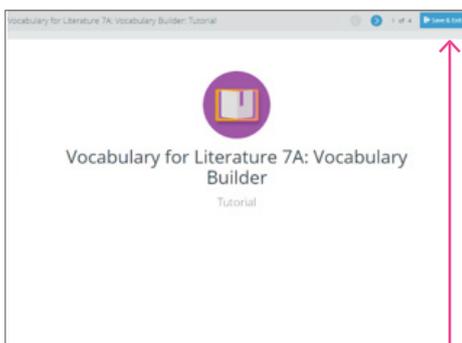

These can include:

Direct Instruction: Animated tutorials that introduce and model new skills.

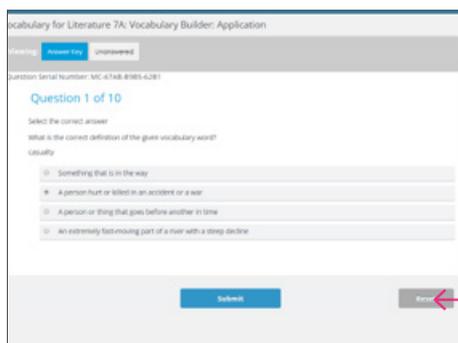

Practice: Scaffolded practice activities that will give you immediate feedback on your answers and help you understand which were incorrect, and why.

Progress Checks: After every four skills, you will be given an assessment of no more than 20 questions. Upon completion, new skills will be generated for you to work on.

Below are examples of a tutorial, a practice activity and a Mastery Test:

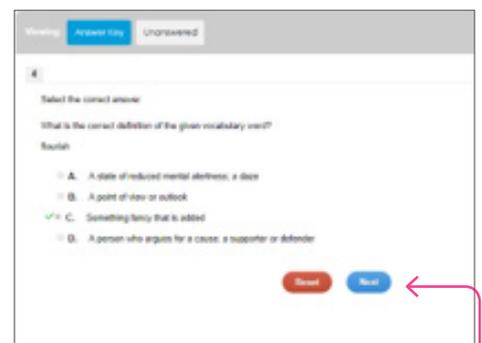

Click 'Save & Exit' to save your work and start where you left off next time.

Click 'Submit' to enter your answer.

Click 'Reset' if you need to change your answer.

Click 'Reset' if you've entered an answer and then want to change your mind.

Click 'Next' for the next question.

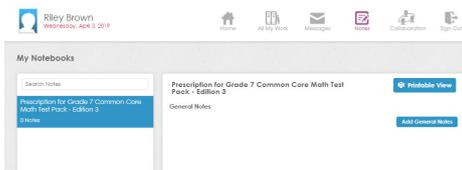

2 Messages

The Messages page shows all the online communication between you and your teacher.

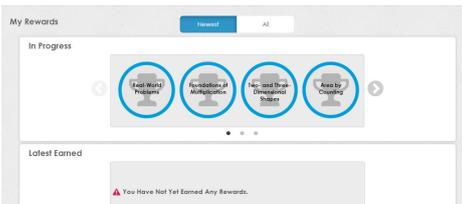

3 Notes

Notes that you make whilst on an activity can be saved for future reference.

These can be accessed from the Notes section.

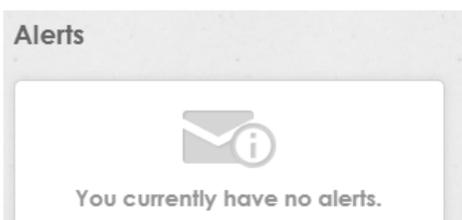

4 Rewards

As you progress through your learning path, you will be able to earn rewards. The trophies and badges you earn will appear here.

Mastery Trophies are awarded following a Progress Check. Challenge Badges are awarded by your teacher.

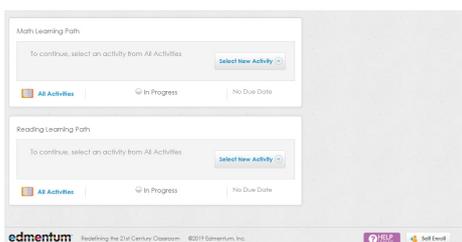

Alerts

Alerts show on your homepage.

They may be alerting you to new messages from your teacher, or details of a challenge.
