

I'm creating some number puzzles. Can you put the matching pieces together at the top?

<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 5px;">26</td> <td style="width: 50%; padding: 5px;">2 tens 6 ones</td> </tr> <tr> <td style="width: 50%; padding: 5px;">$20 + 6$</td> <td style="width: 50%; padding: 5px;"></td> </tr> </table>	26	2 tens 6 ones	$20 + 6$		<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 5px;">62</td> <td style="width: 50%; padding: 5px;">6 tens 2 ones</td> </tr> <tr> <td style="width: 50%; padding: 5px;">$60 + 2$</td> <td style="width: 50%; padding: 5px;"></td> </tr> </table>	62	6 tens 2 ones	$60 + 2$		<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 5px;">35</td> <td style="width: 50%; padding: 5px;">3 tens 5 ones</td> </tr> <tr> <td style="width: 50%; padding: 5px;">$30 + 5$</td> <td style="width: 50%; padding: 5px;"></td> </tr> </table>	35	3 tens 5 ones	$30 + 5$		<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 5px;">53</td> <td style="width: 50%; padding: 5px;">5 tens 3 ones</td> </tr> <tr> <td style="width: 50%; padding: 5px;">$50 + 3$</td> <td style="width: 50%; padding: 5px;"></td> </tr> </table>	53	5 tens 3 ones	$50 + 3$	
26	2 tens 6 ones																		
$20 + 6$																			
62	6 tens 2 ones																		
$60 + 2$																			
35	3 tens 5 ones																		
$30 + 5$																			
53	5 tens 3 ones																		
$50 + 3$																			

Did you put the pieces
in the right places?

**Can you make
some of your own
number puzzles?**
