

# MANAGE MYCITY Snippet

Here, you can create a MyCity - an area perfect for targeted learning where you can quickly group content for students to use in class and at home.

## ADMINISTRATORS

Have full control; they can create and edit any MyCity.

## TEACHERS

Can only create and edit their own MyCity.

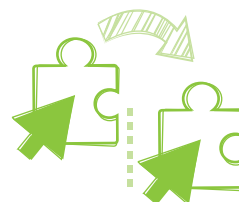

Want to plan ahead for lessons?

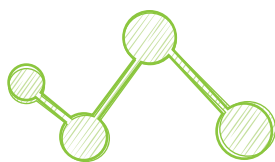

Upload your students to view their scores in the Tracking tab.

Group content in a MyCity

Order your content

Track your students' progress

Assign the content to students

Feel the power

## HELPS YOU...

Make lesson planning easier

Set homework super quickly

Monitor your students' progress
