## **Fitting Instructions**

1. Remove pillion seat.
2. Remove the plastic side panels below the front seat.
3. Remove the front seat.
4. Remove the seven screws that hold the tail section in place.
5. Remove the three push-stop plugs located underneath the tail unit along the nearside flank (to remove these press the centre and remove entire fastener).
6. Unplug the rear light unit and remove the tail section.
7. Remove the indicator side pods and the original fender.
8. Transfer the indicators to the new tail tidy. Thread led through location hole secure using M6 Flange nut.
9. Crimp the two terminals to the number plate wires.

10. Locate the new tail tidy and route the wires.
11. Ensure that the spacers provided locate between the tail tidy and the tail support brackets.
12. Re-assemble the tail unit of the bike (reverse steps 1 to 6).
13. Test the unit for correct operation of indicators and number plate light (if you find that the number plate light does not work, reverse the wires – LED's are polarity sensitive).

## **Returns, Refunds and Replacements**

We hope you are happy with your purchase from Evotech Performance. However, if you wish to return or replace a product, then please carefully read the information and follow the instructions below before sending back your item.

If, within 30 days, you wish to return a product that is not faulty, we will be happy to accept it back, providing that it is undamaged and in a re-sellable condition. You will have to pay the return postage and we will discount your refund by a 10% re-packaging and re-stocking fee. We will not refund the original postage.

If the product is faulty, or the wrong part, or any other reason that is our fault we will also refund the return postage costs.

In either event, please ask for advice when you wish to return anything by calling 0800 634 2801 or by emailing [sales@evotech-performance.com](mailto:sales@evotech-performance.com), we will advise the best method of returning it.

If a product should develop a fault after 30 days, please contact us to discuss.

Please let us know why you wish to return the product.

If you are returning faulty goods, you are entitled to a refund or a replacement part. Please indicate which you prefer.

Please ensure that the goods are packed securely, and include all of the original parts, using the original packaging where possible. If necessary place in suitable extra packaging to protect the goods whilst in transit to us.

Please make sure that you obtain and retain Proof of Posting Certificate from the Post Office when you return your goods. This is to protect you in the event that your goods are lost in transit; they remain your responsibility until they reach us.
