Repeat
Both Sides

Repeat
Both Sides

Locate round holes
amongst hexagons.

Push Rubber Spacer
through from the
back of the guard
so Hexagonal shape
fits on the front face

Repeat
Both Sides

OEM PART

Repeat
Both Sides

ESSENTIAL CHECKS

It is recommended that periodic inspections are made to ensure that dirt and debris have not become trapped between the guard and the radiator/oil cooler. Such dirt and debris would reduce the cooling efficiency of the radiator/oil cooler.

It is recommended that periodic inspections are made to ensure that all fixings are fully tightend.
