## Create a lasting tribute to your loved one

**Precious Star Funds are a way for families to celebrate the life of someone special while also supporting Bliss.**

Creating a fund in your loved one's name, **The Jo Smith Precious Star Fund** for example, is so much more than a personal tribute. It will also help Bliss to ensure that babies born too soon, too small or too sick have the best possible chance of survival and that their families receive the support they need. 

As your fund grows over time, it can be comforting to know that you're helping others through the toughest of times – and giving them hope.

## What a wonderful tribute to your own Precious Star.

## Call us for help

### Bliss Family Support

If you would like to talk to someone in confidence about a bereavement you can call our Family Support Team on freephone 0500 618140.

We can also offer support through our counselling service and if you wish, put you in touch with other organisations that may be able to offer you advice and support.

**A wonderful way to remember someone special**

## A shared focus for your memories

Once you've created your fund, you can make a personalised memorial page online to share with friends and family.

You can invite them to make a donation to your fund, to leave a message, or to light a virtual candle to show how your loved one still shines bright in their memories.

*'We find that having a dedicated Precious Star Fund for William has helped, and continues to help us to channel our grief. For us, there was nothing we could do to alter the outcome for William, but it's very meaningful to think that we're doing something that will affect the life chances of other babies and improve parents' experiences.'*

Verity and Duncan Baldry, Mum and Dad of William and creators of The William Henry Baldry Precious Star Fund

## Turning personal loss into positive support

You can add to your fund whenever you wish, either by making a donation, planning a fundraising event, or setting up a regular gift... it's up to you.

If you would like to mark a birthday or a special anniversary, we can help. We can also support you in organising your own Precious Memories Walk to remember your loved one.

We'll send you more information when we write to confirm that your fund has been created.

As your fund grows, you'll be helping Bliss to provide the best possible care and support for premature and sick babies and their families, to work directly with doctors and nurses to improve neonatal care, and to campaign to ensure the needs of babies and their families are always heard.

**What a wonderful legacy to be part of.**

### A special thank you

Should your fund reach £5,000, Bliss will name a star in honour of your loved one. You'll receive a special presentation box, with a personalised chart showing you the constellation and location of this star.

## Your questions answered

**Q How will my Precious Star Fund help others?**

**A** Every penny raised by your Precious Star Fund helps us continue our vital work supporting the 80,000 babies born needing special care in the UK every year - and their families.

**Q Is there a set time limit or target to aim for?**

**A** No. There is no time limit on your Precious Star Fund and no set total to aim for - it's your fund. However, if you reach £5,000 we will name a star in honour of your loved one as an acknowledgement of reaching this wonderful milestone.

**Q I don't have access to the Internet; can I still have a Precious Star Fund?**

**A** Yes. We can set up a fund for you and make sure that any donations you make to Bliss are credited to it - just let us know, whenever you or your friends and family send us a gift. We'll keep you up to date with your fund total as it grows.

*'Bliss does such marvellous work for families with premature and sick babies. They have such a wonderful network to support people that go through bereavement due to premature birth - we've just got to keep up that support.'*

Tracie Buckley, Mum of twins Elliot and Neave and creator of The Elliot and Neave Buckley Precious Star Fund
