ATHLETE INSTRUCTIONS

Thank you for your entry to this BMAF Competition. Below is the information that you need for the day.

VENUE

English Institute of Sport, Coleridge Road, Sheffield S9 5DA. Free parking is available on site.

REGISTRATION/DECLARATION & NUMBERS

You need to check-in in advance online via OpenTrack. You will receive an email advising how to do online declaration. It may be possible to check in online via registration on the day. On arrival, collect your numbers from the Registration Desk at least 1 hour before your event. This will be located upstairs, turn left and it will be on the concourse. Late arrival may mean you cannot compete. Please 'un-declare' yourself from an event within 1 hour of the event time in order to ensure seeding is accurate and only those planning to compete are included. You can either do this yourself online or via the registration desk at the venue. Numbers must be worn as issued, on your front and back, in all events, except the High Jump, Triple Jump and Long Jump, where only front number need be worn. **No pins will be available so you should bring your own. Please ensure that one side of the bibs is completed with your medical conditions prior to you competing.**

IMPLEMENT WEIGHING IN

All personal implements (indoor shots only) should be weighed in at the equipment store located at track level at the far end of the stand at least one hour prior to the event.

WARMING UP/ REPORTING

Please use the warm up area at the back of the arena. All athletes should report to the event site at least 15 minutes before start of their event – no call room is in operation. For track races these should gather in the area close to the technical room. Please be aware and respectful, if a previous event is still in progress.

COMPETITION RULES

The competition is run under UKA/WMA rules. Normal rules apply for the Pentathlon - three field attempts except the High Jump. Please also note that Pentathlon event times are a guide only and as usual may change. Please also make yourself aware we will be applying the WMA (not WA/UKA) shoe rules. This may be checked by the Start Team. Open Field Event Competitors will all get 4 trials and Open HJ will progress in line with UKA rules (5cm increments until 3 athletes remain in the competition).

CLUB VESTS & SHOES

Competitors must compete in the colours of their UKA Club, Masters Area Club or national vest under which they entered with the addition of appropriate shorts.
