

The waiver needs to be confirmed by each competitor, for the benefit of the LOC, EMA, the WA and their respective officers and officials, acknowledging the following provisions:

- A. The entrant confirms that he is in good health; has properly trained for the competition; is sufficiently skilled in the events entered so that he is able to comply with all the rules of the competition; that he presents no hazard to himself or other competitors; and that he participates at his own risk, and that he has properly registered through the EMA Affiliate of his own country of citizenship. Those athletes holding more than one citizenship must register through the EMA Affiliate for which they last competed in a European Championship. There is a procedure for changing of affiliation detailed in the WMA by-laws which must be followed before athletes will be allowed to enter under a different citizenship. Athletes may be barred or disqualified from competing if improperly registered.
- B. The entrant relieves the LOC, EMA and the WA and the Officials absolutely of any responsibility or any injury or loss that he/she may sustain in connection with the CHAMPIONSHIPS.
- C. The entrant accepts and understands that the CHAMPIONSHIPS are staged under the provision of the EMA Constitution, WMA by-laws, and Rules of Competition; as read with the WA Rules of Competition, to the extent to which these Rules have been adopted by WMA.
- D. The entrant agrees to submit to drug and/or gender testing, under EMA/WMA/WA/WADA Rules/Code if selected, and has been made aware by the LOC/EMA that the use of prohibited substances as listed in the WMA Anti-Doping and Regulations WA Rules and Regulations for Doping Control (version 2022) can only be permitted to the very limited extent to which a Therapeutic Use Exemption ("TUE") certificate will have been granted to the entrant by the Medical officer of the EMA Anti-Doping.
- E. In case of Force Majeure, if the performance by the LOC of any obligation or undertaking under this agreement is interrupted or delayed by any occurrence not occasioned by the conduct of either party to this agreement, whether that occurrence is an act of God or public enemy, or whether that occurrence is caused by war, riot, storm, earthquake or other natural force like pandemic or by acts of anyone not party to this agreement, then the LOC and EMA shall be excused from any further performance for whatever period of time after the occurrence is reasonably necessary to remedy the effects of that occurrence. The parties hereto agree to the terms and conditions above and set forth in the preceding pages. **Entry fees will then not be reimbursed to any party before all expenses of the LOC and EMA are not covered by the fees.**
