ATHLETE INSTRUCTIONS

Thank you for your entry to this British Masters Indoor Championships.

REGISTRATION/DECLARATION and NUMBERS

On arrival, collect numbers and declare your intention to compete (if not done online) via the Registration Desk at least 1 hour before your event (90 mins for pole vaulters) which will be located to the right on entering the stadium. Late arrival may mean that you cannot compete. Online declaration can also be completed in advance via OpenTrack if you prefer. However, you will still need to collect your number on the day. Please allow sufficient time in case there are queues. You will receive an email advising how to do online declaration. Please 'un-declare' yourself from an event (in the case of withdrawal) within 1 hour of the event time in order to ensure seeding is accurate and only those planning to compete are included. You can either do this yourself online or via the registration desk at the venue. Numbers must be worn on your front and back, in all events, except the horizontal and vertical Jumps where only one number needs to be worn. No pins will be available so you should bring your own.

IMPLEMENT WEIGHING IN

All personal implements (indoor shots only) should be weighed in at the equipment store located at track level on the left as you enter the stadium at least one hour prior to the event.

WARMING UP

Please use the upstairs area or outside for warm up. Hurdles will be made available for warm up purposes. No throwing of implements should take place in these general areas and without officials' supervision.

CALL ROOM

Most races will not be seeded until after the declaration deadline, the seeding will then be available on OpenTrack. Can all athletes please listen for call room announcements – however, it is your responsibility to arrive in the call room on time, if you fail to do so you may not be able to compete. The call room for all events will be located at the 60m start end of the indoor track. If you have an overlapping event, please advise call room when you go in for your first event and ask them to tick you off at that point. In these circumstances, please advise call room if your intention to compete changes.
