

Brian Macklin
Flat 9 - Edith Bell House

Dear Joan

Once again your children had the residents enthralled with their cuteness and lovely manners,

The Harvest Song had everybody clapping for more, the movements of the children had everybody moving in their seats

Everybody is enjoying their gift boxes, I have had a lot of nice comments from the residents

Please thank the children who sent the lovely flowers, which are now on the residents window sills.

Also the children who sent Tins of Soup etc. which were very welcome.

We also thank the teachers for their help, in putting the Festival gifts together.

The residents have asked me to thank you, in making the event happen.

Best Regards Brian Macklin
