# Welcome

Dear Parents,

Thank you for taking the time to look at our School Minibus Service Guide. We have produced this guide to provide an overview of the proposed school minibus network, and to provide further details, including timetable and fare information. Bookings for all routes can be made via the dedicated transport website at [gayhurst.vectare.co.uk](http://gayhurst.vectare.co.uk). This website allows you to enter your postcode, find your closest stop, and see bespoke travel information for your child's journey to school.

The website allows for bookings to be made 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you're running late and you would like your child to travel on the school minibus service as a one off, you can make a booking. Late notice bookings are subject to availability, so we advise making a booking as early as possible.

We have tried to ensure that journey times, for all routes, remain as limited as possible. As such, some stops will be by request only. All other stops on the network will only be served if there is parental demand.

All routes will be operated by minibus drivers employed, and vetted, directly by Gayhurst, giving you peace of mind for your child's safety.

I hope that you are able to find a travel solution that works for you and your child. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school minibus network, please contact us via the school transport website.

Kind regards,

Vanessa Lakatos

# Terms & Conditions

1. This agreement is made between all school bus passengers, parents and Gayhurst School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Gayhurst School provides a school bus service. Parents are responsible for their child at all times including both prior to and after boarding and alighting.
3. Transport on the school bus service must be arranged in advance and is paid for **through the online booking system**.
4. The school bus service is only available to pupils in year 2-6.
5. Bookings are non-refundable in the event of a pupil failing to travel.
6. Bookings are to be made via [gayhurst.vectare.co.uk](https://gayhurst.vectare.co.uk).
7. Each pupil for whom an online form has been submitted will be added to a bus list detailing their route they travel on, their bus stop and what travel has been paid for. Their name will appear on a list which will be checked by the driver.
8. It will be the parent's responsibility to inform the school via the Contact Us form on the website if they no longer wish for their child to use the school bus service. Notice of half a term must be given by a parent prior to the removal of a pupil from the school bus service.
9. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by the pupil or their parents.
10. Pupils should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the bus. Drivers will not wait past the scheduled departure time.
11. Good conduct is required at all times. Shouting, use of inappropriate language, dropping litter, playing loud music or any other misbehaviour is strictly forbidden, as is eating on the bus. Pupils must ensure that any online activity will not cause distress to others as set out in the school ICT Acceptable Use Agreement. Pupils are expected to behave responsibly on transport to and from Gayhurst School.
12. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
13. Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions or to move to a different seat.
14. Failure to comply with these conditions may result in the matter being referred to the pupil's form teacher or the Head and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.
15. Gayhurst School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late. However, timings may vary due to traffic conditions or unforeseen circumstances.
