### KEY FEATURES

The Road King® Classic model takes the nostalgic look and feel of the Road King a little further with extra details for this road-worthy touring bike, like leather-wrapped saddlebags, nostalgic chrome fuel tank console, tooled metal detailing on the fender, tank, seat and bags, and chrome laced wheels with wide whitewall tires.

The innovative Harley-Davidson® Touring chassis is based on a single-spar, rigid backbone frame and a stout swingarm developed to withstand the demands of long-haul touring riders and today's powerful engines.

- Rubber-mounted Twin Cam 103™ V-Twin engine with Electronic Sequential Port Fuel Injection (ESPFI) with heated O2 sensors and Electronic Throttle Control (ETC)
- 6-Speed Cruise Drive® transmission with integrated Isolated Drive System (IDS)
- Dunlop® "Multi-Tread" rear tire construction extends tire life by 25 percent
- Brembo® 4-piston front and rear caliper with dual front rotor brake system
- Air-adjustable rear shocks
- Full-length rider footboards
- Height-adjustable passenger footboards
- Six-gallon fuel tank
- Optional Original Equipment Custom Color paint program
