- Adjustable fairing-mounted wind deflectors

KEY FEATURES

The 2015 Tri Glide™ Ultra Classic® Trike offers an authentic three-wheel touring alternative, built from the frame up to provide maximum comfort and handling that is truly Harley-Davidson. Features include the Twin-Cooled™ High Output Twin Cam 103™, designed to maintain performance and power in a broad range of conditions. The linked braking system applies front and rear brakes together when the foot brake control is applied, and the Tri Glide Ultra parking brake system is activated by a foot pedal on the rider's left side. Batwing fairing features a Splitstream vent to reduce head buffeting.

- 6-Speed Cruise Drive® transmission
- Lengthened and raked front forks optimize steering
- Air-adjustable rear shocks
- Rear-axle assembly with lightweight aluminum center section and steel axle tubes
- Trunk provides 4.3 cubic feet of storage space and 50-pound capacity
- Height-adjustable passenger footboards
- Electric reverse drive
- Electronic cruise control
