Created for romance

Whisk yourself away to a natural sanctuary of romance. Delight in sensual living over a lagoon at Anantara Veli Resort & Spa, Maldives in one of 50 Over-Water Bungalows. Walk hand-in-hand on a secluded stretch of white island sand. Contemplate the oceanic light as it evolves from morning glow to dusk, subtly changing hues and glittering off the clear waters just beneath your private bungalow.

Spend your days relaxing on the beach, pampering yourself on an Ayurvedic spa retreat, lounging at the beachfront infinity pool, or cruising on a dhoni at sunset alongside dolphins. Then, freshen up for an evening of fine dining where the world's flavours are brought to you. A highlight: the best of Thai cuisine, set on a lone isle on the edge of a reef.

Nestled in beauty and removed from unnecessary distraction, you are free to tune inwards as well as to indulge in the romance of a thrilling honeymoon or the buzz of nighttime cocktails with fellow revellers on the sand.

Restaurants & Bars

Between the temptations on offer at Anantara Veli and those of its sister resort Anantara Dhigu Resort & Spa, an array of casual and fine dining destinations is yours to savour.

73 Degrees – Start your day with a sumptuous breakfast buffet overlooking the lagoon. In the evening, feast on lobster, king crabs and fish straight out of the Indian Ocean and cooked just the way you like it.

Dhoni – Kick back to chill beats and your favourite cocktail at our own poolside bar, designed in the spirit of a traditional Maldivian sailboat with views overlooking coral reefs and the open ocean.

Baan Huraa – Inspired Thai cuisine above the gently rolling surf. Relax within a stately Thai house, set within a panorama of the Indian Ocean. Try vibrant flavours of lemongrass, galangal and coconut milk curries, paired with a wine selected from the cellar.

Geckos – Watch our talented Teppanyaki chefs turn Japanese cuisine into a performance or experience innovative Italian fusion cuisine down on the sand.

Dining by Design – Your dream location and a menu limited only by your own desires. Kindle romance with a candlelit dinner on powder white sands, an Indian Ocean sunset by the pool, hidden in a private island hideaway or faree tent, sheltered on your own balcony, lounging at a sand table, sunset deck at point break or floating aboard a traditional Maldivian sailing dhoni. Let us create magical memories.
