

A romantic couple is shown in profile, riding bicycles through a vast field of red tulips. The woman, on the left, has long dark hair and is wearing a dark green coat and grey fur earmuffs. The man, on the right, is wearing a grey beanie and a light brown coat. He has his arm around her shoulder. They are both looking towards the right. The background is a soft-focus field of red tulips with green leaves, creating a warm and scenic atmosphere.
