# BANQUET SUSTAINABILITY EFFORT- COFFEE BREAK

**We've served our guest with coffee beans cultivated on sustainable farms certified by the Rainforest Alliance, these coffee beans are nurtured with care-ensuring biodiversity, protecting wildlife. Apart of that, we include 1 plant based milk into our coffee variety for those who like to enjoy their coffee in white.**

# BANQUET SUSTAINABILITY EFFORT—DECORATION

**We freshen up the environment of the coffee break area and level 2 foyer with fresh flower instead of plastic or fake flower making the environment fresh and calm in mind.**

# BANQUET SUSTAINABILITY EFFORT IN THE MEETING VENUE.

**Detox Drink to replace plastic bottle to be pre set in the meeting room during the event.**

**Reducing paper by station it at the side. Our paper (our flipchart paper and writing pad is made by the recycle paper).**

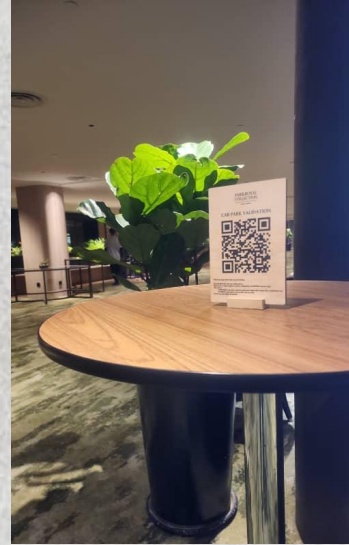

**Provided bamboo pen with recycle plastic for all meeting host at our hotel.**

**Provided interactive digital board instead of flipchart.**

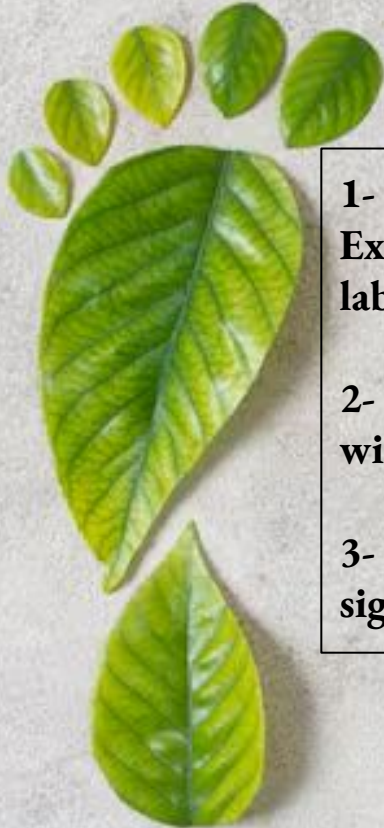

# BANQUET SUSTAINABILITY EFFORT- FOYER

**Involving the technologies into the saving world by using the static QR code for our parking validation. Not ending at that point, we are also encourage guests to use the recycle bin by placing it in the foyer level 2.**
