Reporting

Have you measured your carbon footprint (Scope 1–3)? Scope 1: Direct emissions from sources you own or control directly, e.g. on-site gas heating, company vehicles, and fuel combustion in generators. Scope 2: Indirect emissions from the electricity, heating or cooling your venue buys. Although generated off-site, these emissions are tied to your operations. Scope 3: All other indirect emissions from your supply chain and event activity, including catering, waste, delegate travel, deliveries, and client or supplier emissions connected to events at your venue.	YES
Do you have clear roles and regular reviews for sustainability?	YES - as we are GSTC certified we are guided by the 4 pillars , this includes a sustainability committee, yearly internal audits, monthly updates and tracking of waste, energy ,water etc via the portal, monthly CSR meetings , yearly calendar of CSR events.
Do you report performance publicly or to guests with numbers or examples?	Our individual performance is recorded on the GSTC portal (Greenview), the groups performance is posted publicly by UOL our owning company. All certificates are listed on our website. Refer to https://www.uol.com.sg/sustainability/all-reports/
