

who are your people?

A fantastic way to spread the MeAmora love and promote your business is by connecting with as many individuals as possible. The more connections you make, the loyal customers you'll attract. Here's a fun activity to kick off your efforts:

- Take your phone
- Set a timer for 3 minutes
- Jot down as many names of friends, family, and colleagues as you can
- Keep repeating until you have a list you are happy with

Voila! Your list is ready – these are the people you can begin sharing the MeAmora products and benefits with!

friends

family

acquaintances

online connections

colleagues
