Each License which we grant to you (a) is non-exclusive, (b) is personal, meaning that it is granted only to the person or entity which initially licenses the Mota Italic Products from us (as specified on Ilovetypography.com), and may not be shared with or transferred to any other person or entity except with our prior written agreement, (c) permits the Software and the Fonts to be used only in accordance with all Use Limitations (see Clause 4 below), and (d) for a period of fifty years from the date when you complete your order for the Mota Italic Products (or, if later, the Commencement Date specified in the relevant License), or such shorter or other period as is specified in that License.

Where you enter agree to license Mota Italic Products for use by an entity, you undertake that you are entitled to bind that entity to this Agreement and to license Mota Italic Products on behalf of that entity.

¶ does not permit making available of a Font or Software in such a way that any part of the Font’s outline or the Software may be extracted or edited; and

¶ save as expressly provided in this License, does not permit editable use of the Font, such as in templates or for use in the creation of customizable designs or products

App License

This is a License under the Mota Italic Base License Agreement (the “Agreement”). Terms used in this License have the meaning given to them in the Agreement and in the Appendix below.

¶ In consideration of the payment of the Fees, and subject to the limitations below, we license you to use the Font and its related Software to embed the Font as outline data to display text in the Licensed App for distribution in view and print form only. Use of the Font and Software for the purpose of developing the Licensed App is permitted, provided that where any third party is involved in that development, the third party enters into an appropriate agreement with Mota Italic to license such use.

¶ This License covers a single App, namely the Licensed App, only. A separate license from Mota Italic is required for use of the Font or its related Software in relation to any App other than the Licensed App.

¶ You must control, or be entitled to use the Font and Software in relation to, the Licensed App.

¶ The Licensed App must use, access and present the Font and its Software exclusively within the context of the Licensed App itself, and must not be available or accessible to the operating system of any device (including the operating system of the device upon which the Licensed App appears). For example, but without limitation, if the Licensed App calls the Font from an external device, such as a website or server, then you must obtain a separate appropriate License from us that permits this.

¶ Any process, technique or device such as hot-linking, re-serving or re-directing that allows access to and/or use of the Font or Software by any person or entity which is not licensed by Mota Italic is strictly prohibited.

¶ You must take all reasonable steps to provide security against unlicensed use of or access to the Font and Software.

For example, PDF receipts, business cards, pictures with captions, and personalized t-shirts. Users may not download the font file itself, or use it outside of the service.

¶ There are two types of server license:

¶ Internal – where only employees (including contractors) can interact with the licensed fonts stored on the server

¶ External – where external clients and 3rd parties can interact with the licensed fonts stored on the sever. For example, online gift personalization sites.

¶ The Font can’t be used in SAAS, where the service is the product rather than the item that is created. A Server license is based on the number of servers on which the font is installed. Development servers don’t count towards this. You agree not to duplicate, reproduce, sell, transfer, license, or otherwise distribute the Fonts in any form, except as provided herein. You agree not to decompile, modify, reformat, translate, reverse-engineer or otherwise discover the source code of the Fonts. You agree not to make, or authorize or commission others to make, any additions, deletions or modifications to the font software. This must be done in a secure manner to prevent the fonts being accessed outside of the licensed Electronic Publication.

¶ Your license is limited to Maximum number of Electronic Publication titles. To make sure this is clear; each issue is considered to be a new title, but variations based on region are not (they fall under the same title).

¶ The use of the Font or Software in connection with titles over and above the volume that has been licensed, is not licensed under, and constitutes a breach of, this License and the Agreement.

¶ This License:

¶ In consideration of the payment of the Fees, and subject to the limitations below, we grant you a non-exclusive, non-transferable license to use the Font and its related Software to use the licensed webfonts to create Digital Advertisements, including allowing third parties to create Digital Advertisements on your behalf.

¶ As part of this process, you may also install the Web Fonts on a server that is owned by you or a third party hosting service, as long as you have a written agreement in place to ensure the protection of the Web Fonts (only for the purpose of Digital Advertising). You may also embed the Web Fonts in Base-64 encoded format into Digital Advertisements and publish such Digital Advertisements on Output Devices.

¶ You are responsible for all acts and omissions of any third party with regards to their Use of the Web Fonts.

¶ You may use the Web Fonts in a software tool or workflow where an outline representation of the glyphs of the Web Fonts is created, and use a software tool to output a Subset of the Web Fonts.

¶ Your license is limited to the Maximum Advertising Impressions per annum.

¶ The use of the Font or Software in connection with any volume of impressions over and above the volume that has been licensed, is not licensed under, and constitutes a breach of, this License and the Agreement.
