*“Joint Genesis has made a great change in my life. I'm able to play my guitar again and worship God the way I'm supposed to. And I just laid three rooms of tile in my house that I didn't think I'd be able to do. The turnaround has been quite remarkable!”*

**Mary Mazur** Michigan ★★★★★

*“My power walking exercise sessions are much smoother. I've improved my speed and my mobility and flexibility. And I can go and exercise without feeling stiff afterwards.”*

**Pat Arola** Florida ★★★★★

*“I'm able to go on long walks and swim half an hour a day which I couldn't do before. I'm much more confident about being able to travel and go on long hikes and keep up with the rest of the group.”*

## What is Joint Genesis Joint Supplement?

Joint Genesis is an advanced joint-support formula designed to target the root cause of age-related joint discomfort — the decline of *hyaluronan*. This molecule keeps your synovial fluid thick, smooth, and

jelly-like. When hyaluronan drops with age, the joints become dry, stiff, and uncomfortable. Joint Genesis helps restore this natural lubrication from within.

## How does it work?

The star ingredient, Mobilee®, is a patented compound shown to increase hyaluronan levels in synovial fluid by up to *10 times*. When the synovial fluid becomes thicker and more hydrated, the joints move smoothly, the cartilage stays cushioned, and stiffness reduces naturally. This formula focuses on rehydration, lubrication, and long-term flexibility.

## What are the key benefits?

Joint Genesis may help reduce joint stiffness, improve flexibility, and support smoother, more comfortable movement. It also promotes a healthy inflammatory response, making daily activities like walking, bending, or climbing stairs easier. With consistent use, your joints feel more hydrated, supported, and youthful.

## Key ingredients

### Ginger Root

**Like French Maritime Pine Bark, ginger is a potent antioxidant and decades of studies support its efficacy in promoting a healthy inflammatory response in the joint tissue.**

**A study published in the Journal of Medicinal Food found that a ginger extract was effective in reducing knee pain in patients with age-related joint issues.**

In doing so, ginger helps to boost the effectiveness of Joint Genesis™ and promote greater joint comfort, flexibility and mobility.

### **Boswellia Serrata**

Another ingredient that helps to further strengthen the results delivered by Mobilee® and French maritime pine bark is Boswellia Serrata, a tree that originates in India.

The extract derived from the gum resin of the bark of the Boswellia tree has been proven in multiple studies to promote a healthy inflammatory response in the joint tissue, helping to support joint comfort and joint function.

Added to that, a study in the medical journal Phytomedicine investigated the effects of a combination of French maritime pine bark and Boswellia serrata on patients with age-related joint pain. The results showed that the combination significantly improved joint pain, stiffness, and physical function.

### **BioPerine®**

To round off the formula and help ensure the strongest and fastest possible results, Joint Genesis™ also includes BioPerine®, another advanced and patented extract obtained from black pepper fruits that helps boost the absorption of the other ingredients in the formula.

As a result, this unique and powerful blend of ingredients includes *everything* you need to help support your joints, enjoy comfortable movement, and delight in the renewed flexibility of your youth!
