

ADVANCED EARLY YEARS EDUCATOR

This advanced Level 3 training programme is for those working in childcare such as nurseries, pre-schools or creches in roles such as Nursery Nurses, Supervisors or Teaching Assistants. It will allow the learner to enhance their skills and knowledge in key areas, such as supporting healthy lifestyles, following legislation or developing children's ability to learn and play. Completing this programme will allow for progression to higher roles within the industry.

Is this training programme for your business?

This programme is ideal for new and talented employees who want to learn and progress, or for your existing employees who are looking to retrain or upskill. It is ideal for those looking to develop their skills within the industry.

The programme in brief

- Diploma for the Early Years Workforce Level 3

The Benefits

Key benefits for the employee

- Nationally accredited and recognised qualification
- Earn whilst you learn
- Scope for career progression and personal development
- Support and guidance from experienced subject experts
- Confidence and motivation within the job role

Key benefits for the employer

By enhancing the knowledge, skills and behaviours of your employees, this will, in turn, have a positive impact on your strategic business objectives. The affordability of the programme often results in a greater return of investment than other alternative training, such as graduate programmes.

How your employees will learn

We want to help your employees get the most from their training programme. Therefore, we will provide them with the support and guidance they need through a mixture of face-to-face and online learning. Learners will have a dedicated Talent Coach who is there to guide them through their training programme. As well as their Talent Coach, learners have unlimited access to learning and support materials online. They will also be allocated a dedicated Functional Skills Tutor if applicable. All of this will help the learner to meet the standards set, resulting in them becoming competent and fully qualified.

What your employees will learn

Examples of mandatory units include:

1. Support healthy lifestyles for children through the provision of food and nutrition
2. Support physical care routines for children
3. Support children with additional needs
4. Understand how to support children who are unwell
5. Use legislation relating to the health and safety of children
6. Understand the value of play in early years
7. Develop children's cognitive skills
