ASSESSING VOCATIONAL ACHIEVEMENT

LEVEL 3 CERTIFICATE

It is vital that teachers and assessors understand the assessment strategies and quality assurance procedures. This qualification allows the delivery for the assessment of a wide range of vocational qualifications achieved in the work environment. The Level 3 Certificate in Assessing Vocational Achievement (CAVA) is the new course which has replaced the old A1\2 and D32\33 assessor qualifications.

Who is it for?

This qualification is best suited to those who are interested in working as an assessor for learners within a college or workplace environment. It is also aimed at understanding the quality assurance procedures for RQF qualifications. To achieve this qualification, the learner has to be able to assess learners.

The programme in brief

- Principles and practice of assessment
- Responsibilities of the assessor
- Different types of assessment method
- Assessment decisions
- Assessment planning and practice
- Learner involvement

How you will learn

We want to help you get the most from your training programme. Therefore, we will provide you with the support and guidance you need through a mixture of face-to-face and online learning.

You will need to demonstrate assessing ability in a real-life setting with at least two different learners within your subject area, on one or more occasion.

Delivery method - there are two delivery methods:

1. Face-to-face classroom sessions with observations of your practice
2. Distance learning with observations of your practice

Eligibility

To be eligible for this course, you must be 19 years of age or above. It is a recommendation (but not a requirement) that you have achieved a maths and English qualification at Level 2.

If you do not have a Level 2 qualification in maths or English, Learning Curve Group can support you towards gaining a functional skills qualification, which you can study alongside your programme.

Course costs

The full cost of this course is £811 + VAT.

It is available self-funded or through an Advanced Learner Loan.

Advanced Learner Loans help learners aged 19 and over in further education to pay the college or training organisation fee. Getting a loan doesn’t depend on your household income and there’s no credit check. You won’t have to pay anything back until you’re earning over £25,000 a year. Once you earn over this amount, you pay back 9% of the earnings you receive above this figure.

What you will learn

- Understanding the principles, requirements and practices of assessment
- Explaining the function of assessment in learning and development
- Defining the key concepts and principles of assessment
- Explaining the responsibilities of the assessor
- Assessing occupational competence in the work environment
- Understanding different types of assessment method
- Understanding how to plan assessment
- Understanding how to involve learners and others in assessment
- Understanding how to make assessment decisions
- Understanding quality assurance of the assessment process
- Understanding how to manage information relating to assessment
- Understanding the legal and good practice requirements in relation to assessment

Benefits for you

- Achieve a nationally recognised Level 3 qualification
- Receive advice and guidance from a dedicated team of assessors/tutors
- Gain confidence, knowledge and skills in assessment practice
