

# VISION ONLINE (VO)

---

This is a user-friendly platform that gives our partners the ability to see the status and details of their learners and receive extensive reporting data in real time in just four easy clicks. Access is via a password protected log-in located in a secure area of our website.

## Accessing your account

## Key Benefits of VO

- Gives you secure access to all of your learners' details and progress
- Monitors all learners through each stage of their programme (e.g. active, withdrawn, at risk, completed or achieved)
- Monitors all tutor contact with learners
- Provides evidence for funding and audit controls/reports
- You can download all of your learners' information to Microsoft Excel or CSV
