

Interlacing Large on Stand

Handcrafted porcelain sculpture inspired by the rich textures and fluid dynamics of the ocean and coral formations. The sculpture's structure is an undulating lace, meticulously formed from fine porcelain, creating a dense, organic composition.

Size: H48 x W30 x D12cm

Price: £2,995

Notes: Made from porcelain. Each piece is uniquely handcrafted, so slight variations in shape may occur.

Ref Code: SCU065STD022
