Laura Z Bell
Senior Dental Officer
NHS Lothian

Claire Hathorn
Consultant Paediatrician
NHS Lothian

WEDNESDAY, 24 September, 2025
7:30PM – 8:30PM

Dentistry and Care Experienced Children and Young People: A pathway to support access

This presentation will provide an overview of dental services within NHS Lothian relevant to care experienced children and young people and introduce a pathway developed to support access to dental services for this vulnerable patient group.

Medical Paediatrics: common outpatient presentations

This talk will highlight new guidance on RefHelp for common conditions including lymphadenopathy, anaemia and constipation. Claire will also discuss headaches and allergies in children, for which guidance is in development.
