Substance Misuse Strategy

1. Purpose of Paper

- 1.1 The purpose of this paper is to provide the Board with the 'Substance Misuse Strategy'.

2. Matters to Note

- 2.1 The Board is invited to review the partnership strategy concerned with substance misuse i.e. drugs, alcohol and prescription medication. Appendices are attached which show the structures for Cambridgeshire Drug and Alcohol Action Team (DAAT) and Peterborough Safer Partnership Governance which will ensure delivery of the strategy.
- 2.2 The strategy incorporates the key operational objectives outlined in the Police and Crime Plan along with those from the National Drugs Strategy 2010, the Governments Alcohol Strategy 2012 and the Victim Needs Assessment, along with other advice related to substance misuse.
- 2.3 A delivery plan has been produced which details the scope of work and tactical plan to support the implementation of the strategy. The Strategy has been to partners for consultation, Cambs DAAT, SPP, CPFT, Probation and comments have been received and implemented into either the Strategy or scope of work.
- 2.4 The delivery plan will be owner lead, timescale, RAG and detail the developing/ process of the scope of works – the delivery plan will be monitored and updated by the CBA Drugs coordinator.

3. Recommendation

- 3.1 The OPCC is requested to note the update.
