16th February 2017

Dear Ben

I refer to the Cambridgeshire Police and Crime Panel's (the "Panel") report of 6th February 2017 entitled 'Recommendation following consideration of the report from the Police and Crime Commissioner on the Police and Crime Plan 2017-20'.

In accordance with section 5(6) of the Police and Reform and Social Responsibility Act 2011 this letter acts as my formal response to the Panel's report.

I note from the report that the Panel has reviewed the draft Police and Crime Plan (the "Plan") and has agreed and endorsed the Plan, the Panel's decisions for this and their reasons. I further noted the Panel's comments regarding how the objectives in the Plan will be monitored. I am confident that monitoring the Business Intelligence Information set out within the report will allow me to oversee progress as the Plan is implemented. The final Plan will include infographics illustrating how the Business Intelligence Information can be used. I have also taken the opportunity to reference Community Safety Accreditation Schemes and address a few minor amendments. Once the above work is complete I will send a final version of the Plan for your records.

I would also like to assure the Panel that Business Intelligence Information on delivering the Plan will be published on my website.

Finally, I would like to thank the Panel for their contribution towards the development of my Police and Crime Plan.

Yours sincerely,

Jason Ablewhite
Cambridgeshire Police and Crime Commissioner
