

## Police and Crime Plan 2017-2020

### **Victims – safeguarding the vulnerable**

Aim: deliver a victim first approach

Shared Outcomes: victims and witnesses are placed at the heart of the criminal justice system and have access to clear pathways of support

## How are the PCP priorities reflected in the Safer Peterborough Partnership Plan 2017-2020

Safeguarding the vulnerable is a theme running through the SPP Plan. Reducing the number of people who become victims of crime is a key priority, the SPP have also prioritised a number of high risk victim groups including **domestic abuse, sexual violence** and **hate crime** victims.

### **Offenders – attacking criminality**

Aim: reduce re-offending

Shared Outcomes: offenders are brought to justice and are less likely to reoffend

**Offender management** is a priority in the SPP plan and bringing more offenders to justice, using traditional and restorative solutions are priorities within the plan. Reducing re-offending is a key area of focus.

### **Communities – preventing crime, reassuring the public**

Aim: support safer and stronger communities

Shared Outcomes: communities have confidence in how we respond to their needs

**Building Resilient Communities** is a priority in the SPP Plan, our focus is on reducing hate crime and tackling violent extremism which can undermine the fabric of our communities.

### **Transformation – achieving best use of resources**

Aim: ensure value for money for tax payers now and in the future

Shared Outcomes: we deliver improves outcomes and savings through innovation and collaboration

**Collaboration** between agencies is at the heart of the SPP plan, the priorities are owned by a variety of partners where we co-deliver key areas of work which impact on community safety.
