

Dear Member of the Public

I am writing in response to your request for information under the Freedom of Information Act 2000, dated 13th September.

You asked what activities the Commissioner has undertaken to ensure the police are accountable to the public by engaging with their communities during the period from 12 May 2016 to 13 September 2017.

You can find a record of all of the Commissioner's activities in his diary, published here:

I trust that the information provided above meets your needs. However, if you are unhappy with this response, please see attached 'satisfied with our service', which sets out your rights to appeal.

Kind regards

Office of the Police and Crime Commissioner
