| Stretham Youth Centre                     | Targeted work with two identified groups of young people engaging in ASB and low level criminality.   | £2,994         |
| Thrive Youth Work                         | Identified students given time to attend Gauntlet Auto Project to develop skills and build positive relationships and develop practical skills in motorcycle riding and mechanics.        | £3,000         |
| Ormiston Families                         | Breaking Barriers project to support young people who have a parent in prison.  | £3,000         |
| The Prince's Trust                        | Community project to produce and deliver a video to raise awareness of knife crime and to deliver to a local school.  | £500           |
| Right Resolution CIC                      | 16+ Project supports care leavers in Peterborough to become engaged in education, training or employment and to feel more content & happy as individuals.                                 | £3,000         |
| Project Southpaw – Cambridge City Council | Commence a boxing programme at Trumpington Community College for a targeted group of youths starting in September 2019.   | £1,974         |
| YOPEY                                     | Befriender scheme linked with Langdon House care home and Chesterton Community College.   | £2,500         |
| Blue Smile                                | To support a Senior Outreach Manager in new school year, who supervises therapists that work in 17 schools across Cambridgeshire.   | £3,000         |
| Link to Change                            | For a Link to Change Participation Voices Group, a youth led group which will develop a knife crime campaign and its impact on young people.  | £3,000         |
| STARS                                     | To support Bereavement Support Group for grieving young people at risk of offending.  | £3,000         |

## Youth and Community Fund Awards 2019/20

|  |   |        |
|--|---|--------|
| Kickstart                                  | To engage young people through football whilst offering a structured education package to tackle and prevent knife crime and anti-social behaviour.   | £3,000 |
| Friends of Life Education                  | To support delivery of age appropriate drug and health programmes to support and enhance school curriculum.   | £3,000 |
| Total Voice                                | To support joining National Safe Places Network and enable use of training materials and increase effectiveness of current programme to expand across whole of Cambridgeshire.  | £2,575 |
| Changing Perceptions                       | Family Fun day to be held across all schools in Peterborough being headed by two Year 11 pupils and being youth led.  | £500   |
| Care Leavers                               | To support care leavers and to protect and guide them into adult hood. Scheme will help to provide bikes to enable young people to transport themselves to work and/or education.   | £3,000 |
| The Prince's Trust                         | Working with young people as part of a community project to renovate the garden of a special needs school and provide the pupils with a Christmas party.  | £1,000 |
| Gladstone Street Soccer                    | The project focuses on integration and creating friendships amongst people from different backgrounds. It diverts young people away from crime and helps support a healthy lifestyle.   | £3,000 |
| Missing People                             | To support a one day event of a 'missing and exploited children' forum for 50 multi-agency children's professionals across Cambridgeshire in conjunction with Cambridgeshire Constabulary Missing, Exploited and Trafficking (MET) team.      | £2,895 |
| Crimestoppers – Fearless in Cambridgeshire | Fearless empowers young people to make informed decisions about crime and criminality, and to report information anonymously. The campaign is to discourage under 18s in identified hot spots from becoming involved with criminal behaviour. | £3,000 |
| Young Technicians CIC                      | To develop Fenland Youth Radio Project giving a voice to the youth of Whittlesey as well as the YP giving back to their community, engaging with community groups, businesses and the elderly.  | £3,000 |

## Youth and Community Fund Awards 2019/20

|                               |   |                |
|-------------------------------|---|----------------|
| <b>Kick Youth</b>             | To pilot a youth club aimed at 9-11 year olds, engaging the young people with positive activities to divert them away from possible involvement in ASB, knife crime and drugs and reduce vulnerability as they transition from primary to secondary school. | £3,000         |
| <b>Huntingdon Youth Club</b>  | Introduce a youth activities programme aimed at hard to reach groups in North Oxmoor. Aims to build better relationships with Police and young people and give them confidence to report crimes.  | £3,000         |
| <b>Tall Ships Youth Trust</b> | To send ten local disadvantaged young people to participate in a tall ships youth voyage. Building self esteem and skills necessary to lead a positive life and turn them away from crime.  | £3,000         |
|                               | <b>TOTAL</b>  | <b>£62,980</b> |
