1.1 The purpose of this report is to inform the Business Coordination Board (“the Board”) that an annual review of the Risk Management Strategy has been undertaken.

2. Recommendation

2.1 The Board is recommended to note that the Risk Management Strategy has been reviewed for 2021/22.

3. Background

3.1 The Office of the Police and Crime Commissioner (OPCC) has a Risk Management Strategy that was last reviewed and updated in May 2020.

3.2 The Strategy states that it will be reviewed annually during the preparation of the Annual Governance Statements.

3.3 During 2019/20 the Internal Auditors undertook an audit on Risk Management of the OPCC and Cambridgeshire Constabulary (the “Constabulary”) and the report achieved a Substantial Assurance.

3.4 During 2020/21 Internal Auditors undertook an advisory audit of Bedfordshire, Cambridgeshire and Hertfordshire (BCH) Collaboration – Risk Management. Its conclusion was that the systems and processes to manage risk across BCH are robust and that each Joint Audit Committee (JAC) is receiving assurance on BCH risks and can take assurance on the process within each BCH collaborated portfolio.

3.4 The Strategy is available at Appendix 1 and there are no suggested amendments to the Strategy for this annual review.

4. Recommendation

4.1 The Board is recommended to note that the Risk Management Strategy has been reviewed for 2021/22.
