MERRY & BRIGHT

WE HAVE SEARCHED TIRELESSLY FOR NEW OFFERINGS TO OUR FESTIVE RANGE AND HAVE COME UP WITH SOME FANTASTIC OPTIONS.

From Belgium we've got new releases from two stalwarts of the brewing industry. This year's barrel aged release from Duvel sees their iconic Golden Strong ale matured in Mexican Agave spirit barrels, elevating the ABV to 12.0% and adding aromas of toffee, vanilla, and red fruits with a long and fruity finish. Following a successful launch in kegs, Chimay 175 is now available in bottles. The Trappist blond ale was brewed in celebration of the Abbey's 175th anniversary.

As always, we have a constantly evolving German range and have added four new seasonal Bavarian beers to partner returning favourites from Ayinger, Flensburger and Hofbrau. There's also a new 4-pack from Kaiserdom showcasing their alcoholic range in 25cl cans.

Polish creatives, Funky Fluid, have added some Christmas spice to their adjunct laden sour beers with two festive specials in Mulled Gelato and Yule Cherry.

Pop your slippers on and cosy up by the fire with Black Isle's annual Christmas strong Scotch Ale, Colonel Custard. Aged in bourbon barrels providing a deep rich vanilla aroma with a silky-smooth finish, It's the perfect complement to a Christmas Pudding.

This year's festive cask range includes the latest Fairytale of Brew York which reimagines the Walnut Whip in stout form, plus new options from Abbeydale and Castle Rock along with seasonal delights from Anspach & Hobday and Northern Monk.

If you're looking for a festive draught lineup, we've got a full advent calendar for you, including Verdant's first ever Christmas beer. Of course it's an IPA!

LINDEMANS PREMIUM DISTILLED GIN

Lindemans and De Moor, both high-quality Belgian brands that share the same values, join hands to create this gin. Citrus notes that are first savoured while tasting this gin add a refreshing touch. The gin is dry and the first gently softened by the warm taste of cardamom seeds and the refined taste of cherries. Combined with tonic this gin creates an explosion of flavours while keeping the intense after taste of cherries.

SBLGO1 1 x 70cl Gin (46%) **£38.50**

LINDEMANS PREMIUM DISTILLED RED GIN

The specific, refined aftertaste of cherries is also present.This gin can be experimented in cocktails, for example with Prosecco for a refreshing aperitif.
