Why Christmas deserves more space

CHRISTMAS IS A KEY TIME OF DISCOVERY AND DEVELOPING NEW LOYAL BRAND FANS.

That [Delirium Christmas Gift Pack](#) sparks a light that never goes out, and suddenly there's a new customer with you every week for 4 bottles of Delirium Tremens, their new favourite beer.

Those stocking fillers can also bring a customer along on their beer journey, giving them the opportunity to be upsold to the 'next tier' of beer. Somewhere out there, a dedicated Lager fan gets their first ever taste of [Ayinger Winterbock](#) and the world of Dunkels, Starkbier, and onwards.

It is of course the season for hosting, show your guests that they can serve their entire Christmas table with just one bottle of beer. Pop the cork on a [Chimay Grande Réserve](#) [Magnum](#) and seamlessly dish up 10 perfectly sized glasses of festive cheer.

Make your guest taps work even harder for you over the festive season. Value per Litre of specialist keg sold by us to trade during November and December rises by 10.8%. Backing a big festive beer like [St Bernardus Christmas](#) on your guest line for the season enhances your profit margin, across a shorter volume, driving efficiency.

Festive Arrivals

CHRISTMAS IS A KEY TIME OF DISCOVERY AND DEVELOPING NEW LOYAL BRAND FANS.

This year we've partnered with our friends at Manchester's Marble Brewery to offer a bespoke house beer for the season in [Marble Saturnalia a 4.1% Pale Ale](#) with Mosaic and El Dorado Hops. Complimenting that we have two new festive casks from [Abbeydale: Holly and Merry & Bright](#).

For the first time ever the world famous Brouwerij Boon have bottled their classic [Oude Gueuze Boon into 1.5L Magnums](#), a truly special effervescent beer, the beer lover's Champagne. To open and share round the Christmas table at dessert this year is [Chimay Grande Reserve Bourbon](#), a new barrel finish each year applied to the timeless Belgian Trappist Dark Strong Ale.

From the Westhoek of Flanders St. Bernardus have two releases for the season. Each year they partner with an artist on a new label for magnums of the exquisite ABT 12, this year's paying homage to abstract artist Piet Mondrian. For 2026 they've also released a brand new [St. Bernardus Christmas Ale Gift Pack](#).

The best things come in small packages, and cute little Whitebox 100ml cocktail cans are about as good as it gets. This year they've added [Espresso Martini Christmas Crackers](#) to the range.

Christmas is a time for indulgence and fun, and nothing represents that better than the trend for wildly flavour stuffed beers. Poland's Funky Fluid lead the sleigh here with their [Cherry Panettone Pastry Sour](#) and [Ugly Sweater NEIPA](#). Closer to home we have options from Yonder too in their [Gingerbread Yule Log Pastry Stout](#) and [Apple Strudel Pastry Sour](#).

Whether that's the warmth of an open fireplace, or the chaleur and camaraderie of a festive gathering, our beery minds can't help but pivot towards luxurious, strong, and festively spiced Belgian Christmas Ales.

Like all of the beers made at [St Bernardus](#), [the Christmas Ale](#) is fermented with their famous yeast strain dating back to 1946, introduced by brewmaster Mathieu Szafranski when they began to brew beers on behalf of the famous Westvleteren Abbey. This unique yeast naturally produces spicy Phenols (giving notes of Pepper, Clove, and figs) alongside fruity Esters (banana, apple, and bubblegum), all building up to make it the perfect strain to ferment a warmly spiced Christmas Ale with.

First brewed in 2007 it's now grown to be world renowned, and brewery CEO Julie Depypere comments that 'Christmas Ale has become a real seasonal highlight for James Clay and Sons customers, and I can see why. It's a beer with character and warmth, made with the same care and the same yeast as our classic Abt 12, and it gives people a reason to come back every winter'.

Looking for something special for your guests with a sweet tooth this year? St Bernardus Christmas Ale in [this sublime festive Brownie recipe](#) with a beer Ganache

Let's Have a Christmas Ale!

1.

Encourage the discovery conversation by placing recognisable brands next to more adventurous, but related selections. Fans of year round Belgian classics picking up their weekly stock will have their heads turned by the likes of [St Feuillien Cuvée Noël](#) just next door.

2.

Use 'Gift for X drinker' labels to make your shelves talk for you. For example a 'Perfect for Oktoberfest fans' on [Gunther Winter Halbe](#) would get it into the stocking of any well known Lederhosen wearer.

3.

Make an eye-catching branded glassware display for the ideal add on to a Christmas bottle. We sell glasses at £2.50 per unit, in boxes of 6, for almost every brand in the brochure.

4.

Merchandise the range by price point, including pointers tied to real life examples. Office Secret Santa £25 budget? [La Chouffe Gift Pack](#). Something shiny for the beer nerd in your life sub £40? [Boon Oude Gueuze Magnum](#). Truly unique World Whisky under £100? [Hinomaru Kome](#).

The background is a dark green night scene featuring a large, ornate church with two prominent towers and blue domes, covered in snow. The church is surrounded by snow-covered evergreen trees and small houses. The scene is decorated with various Christmas elements: pine branches with red berries and white snow are in the corners; a golden bell hangs in the top left; several red and white snowflake ornaments are in the top right; and various star-shaped ornaments in gold, red, and blue are scattered throughout. Small white and red dots are also visible.

Festive Beers

BELGIUM, GERMANY, UK & INTERNATIONAL

Bring Christmas into your venue

WE'VE GOT AN ENORMOUS RANGE OF FESTIVE BEERS TO MAKE YOUR CUSTOMERS' SEASON SPECIAL.

Many of our partners release unique beers to celebrate the festivities and this year is no different. For our traditional European partners, this is an opportunity to pull out all the stops and make something truly fitting for the season of excess. From strong Christmas Spiced Dark Ales from Belgium to robust festive lagers from Germany, they amp everything up for Christmas.

Most of these seasonals are annual one shot rarities, brewed just in time for markets, parties, and your customers' Christmas tables.

IS YOUR BAR RIGHT BESIDE A BUSTLING CHRISTMAS MARKET, AND YOU WANT TO CLAIM YOUR SLICE OF THE FESTIVITIES?

Here's a couple of ideas to draw people in once they've had their fill of the festivities.

Organise a Christmas tasting evening, focusing on a brand with a good range of Winter warmers like Chimay, with support from our team to help you tell the story of the brand. Alternatively you could offer a festive flight for the season.

Lean in to the season of gluttony and pair beers with sausages, cheese, pretzels or the seasonal favourite; mince pies.

Add in some flair and take in the beautiful branded glassware for your Winter seasonal. As soon as one Belgian chalice passes over the bar, the entire place will jump on and order.

Or go for some of the curious Winter serving rituals from around Europe to add theatre like the German Biertsacheln, where a hot poker is dipped in the beer caramelising the residual sugars and creating an almost marshmallow like fluffy head.

Christmas Spirits

SCHNAPPS & WHISKEY

The spirit of Christmas

BEER AND WHISKY ARE
VERY CLOSELY RELATED,
AND WHAT BETTER TIME OF
YEAR TO INDULGE IN FAMILY
THAN CHRISTMAS.

We've gathered together a range of special
spirits produced by our brewery partners:
Duvel, Gouden Carolus, Schlenkerla, Stone, and
Hitachino Nest (Hinomaru) to further explore
their beer through the lens of distillation.

How we work

SUPPORT & ORDERING

Christmas support

WE'RE HERE TO HELP YOU
MAKE CHRISTMAS 2026
YOUR BIGGEST EVER, BEYOND
JUST SUPPLYING PRODUCTS
THERE'S A WHOLE RANGE OF
ADDITIONAL SERVICES WE
CAN OFFER.

GUIDANCE

Looking for some guidance on best selections for your festive menu? Your Account Manager can guide you through the range. Their skill and expertise will point you towards options that resonate with your customer base and maximise sales.

BUYING

Buying directly from our brewery partners gives us access to their glassware and POS so you can add that extra sparkle on top. This can be requested during the checkout process so you can dress up your venue just right.

EVENTS

If you're putting on a special event, tasting, Christmas Market night, or anything you want to shout about, tag us using @jamesclaybeers on Instagram, Facebook, or Bluesky, and we'll share your message with our audience too.

Order early,

OUR SUPPLY CHAIN TEAM BEGIN CHRISTMAS FORECASTING EARLY IN THE YEAR AND SECURE STOCK WITH OUR BREWERY PARTNERS BASED ON THIS.

OUR PREORDER SYSTEM IS DESIGNED TO MAKE OVERSELLING IMPOSSIBLE, SO YOU CAN PREORDER IN CONFIDENCE THAT YOUR SELECTIONS WILL BE DELIVERED IN FULL.

Working across almost 50 different suppliers for our Winter range means that stock arrivals are slightly staggered across October and November. You can let us know at point of ordering if you have any specific event dates, and we can do our best to advise on product availability. At checkout you can also confirm whether you'd like to receive your order in full, or as individual products arrive.

ORDER EARLY

Although we forecast carefully, the nature of these special beers means that demand can exceed supply, and it's always best to get your order in as early as possible to guarantee your stock.

sell with confidence
