KENDALINE

Kendaline is a lightweight file covering available with a plain finish or with the option of an embossed texture.

The paper fibres are fully dyed in manufacture to prevent white edges. The addition of a waterbased gloss varnish gives added protection against scuffing and finger-marking.

CHARACTERISTICS

- A non-woven covering material with an antique surface finish
- Lightweight, yet strong and durable paper
- Fully dyed-through paper to prevent white edges on folds and creases
- Superb gluing properties for easy conversion
