

SATINESSE

Exceptionally smooth papers which bring understated authority to a wide range of corporate communications.

These twin-wire papers and boards are evensided and have a high opacity, providing a good medium for the production of printed items.

CHARACTERISTICS

- A stylishly smooth paper
- Satinesse has a high opacity making it ideal as a medium for print
- Produced using a twin-wire process for an even-sided finish
- Suited to both traditional and digital print processes
