NASBTT Learn

List of titles

Provide support and improve outcomes with mobile teacher training resources

Child Protection

Covering your responsibilities, signs of abuse and what to do if you have a concern about a child.

Code of Conduct

How to maintain professional standards and raise concerns about children's welfare, based on the Teachers' Standards.

Equality and Diversity

A course aimed at increasing awareness of equality and diversity issues in schools, helping staff identify and deal with discrimination.

Fire Safety

Written by experts TP Fire & Security, this course is a crucial introduction to fire safety for all school staff.

Online Safety

Introducing the principles of online safety, covering statutory requirements, online risks and how to support pupils and staff.
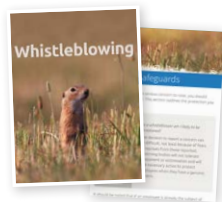

Preventing Radicalisation

Basic training on the Prevent duty: responsibilities, types of extremism, current concerns and practical safeguarding strategies.
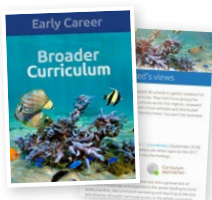

Safe Information Handling

A guide to protecting information, the GDPR, storing data and how to keep technology safe and secure.

Whistleblowing

Looking at what whistleblowing is, when to blow the whistle, reporting a concern and the safeguards in place to protect whistleblowers.

Teaching skills

Broader Curriculum: Early Career

Helping NQTs and early career teachers to deliver a broad curriculum in primary schools.
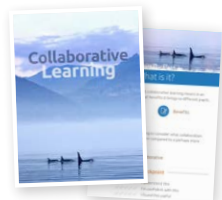

Building Growth Mindsets

Exploring how teachers might promote growth mindsets to support pupils in becoming more resilient learners.

Cognitive Load

Outlines cognitive load theory and its implications for classroom practice and lesson planning.

Collaborative Learning

Helping teachers promote a collaborative learning environment where pupils support each other.

Developing Comprehension

Key guidance on how to support children's early comprehension skills by improving inference and deduction.

Developing Stronger Writing

Helping teachers develop pupils' composition skills, especially at KS2.

Effective Lesson Planning

Helping teachers to plan and design effective lessons.

Embrace Challenge

A short course helping teachers to stretch their pupils to encourage effective learning.

Engagement

Exploring ways to make the classroom engaging, drawing on prior knowledge, scaffolding and modelling.

First Year of Teaching

Helping early career teachers manage the challenges of the first year of teaching, maintain a good work-life balance and set themselves up for success.

Grammar for Writing

Introduces the principles and practice of teaching grammar in context.

Grey & Invisible Students

A resource to help identify, monitor and improve the progress of middle ability students.

ICT in the Classroom

A short course to help teachers develop their use of technology to improve learning outcomes.

Improving Boys' Writing

Helping teachers to support boys in developing their literacy skills.

Improving Writing

Ideas for improving writing across the curriculum including talk for learning, links with reading and tips for modelling and using writing frames.

Independent Learning

Helping teachers promote and support independent learning in the classroom.

Inspiring Images

A course examining the benefits of using images in the classroom to enhance learning and improve engagement.

Lesson Design

Helping teachers to prepare lessons which move learning forward in an engaging way.

Managing Behaviour

A detailed guide to life in the classroom and how to manage challenging situations.

Managing Time

Helps with the development of strategies to spend time more productively and effectively.
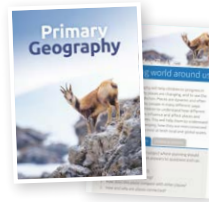

Marking and Feedback

Outlining the features of effective marking and feedback, focusing on how to make it productive and manageable.

Misconceptions in Science

How to challenge science misconceptions in the classroom to enhance student learning.

Primary Geography

Helping teachers to plan and teach geography lessons and assess pupils' understanding.

Primary History

Supporting primary teachers with teaching, planning and assessment in history.

Primary Maths

A guide to teaching primary maths and developing pupils' mathematical thinking.

Primary PE

Helping teachers to understand the wider benefits of high quality PE, with advice on planning and assessment.

Primary Science

Supporting primary teachers with teaching, planning and assessment in science.

Promoting Inclusion

Strategies to reduce exclusions and improve the behaviour and attainment of children with complex needs or SEMH problems.

Reading and Phonics

Helping teachers to support children learning to read, focusing on the key principles of reading, writing and spelling.
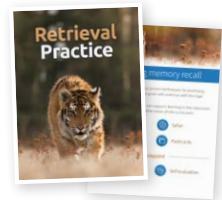

Reading into Writing

Helping KS2 and English teachers bring reading and writing together.

Reflective Practice

Outlines ways to encourage pupils to reflect on their learning and ways for teachers to reflect on their own work.

Retrieval Practice

Explains the methods of recall and the importance of practising it in the classroom to ensure independent learning.

Rich Texts

Helping KS2 and English teachers strengthen their text selections.

Role of the Key Person (EYFS)

Helping the key person to understand and effectively carry out their role.

Science Enquiry

Outlining ways to develop students' scientific mindset, evaluative skills, ability to explain and creativity.

Science Exams

Discusses how teachers can prepare students for GCSE and A level science examinations.

anspear

Science Practicals

Explores the benefits of practical work and suggests ways of using practicals to help students put learning into context and prepare for assessments.

Secondary History

An introduction to secondary school history, including discussion on conceptualising, structuring and teaching history.

Stop Cheat

Designed to help invigilators spot, deal with and prevent cheating in the exam room.

Storytelling

Providing tips, ideas and practical strategies to help teachers enhance the learning process through storytelling.

Study Skills

Guidance on helping students to develop vital study skills and become active learners.

Supporting EAL Learners

Outlining the challenges EAL learners face at school and what teachers, carers and other students can do to help them succeed.

Supporting HPA Students

Ways to support students with high prior attainment, covering theories of ability and creating an effective learning environment.

Talk for Learning

A short course for classroom teachers covering questioning skills, group work and talk for learning.

Teaching the Class Novel

Ideas and activities for teaching the class novel including developing reading skills, using drama and writing exercises.

Teaching Creative Writing

Helping teachers to enhance pupils' creative writing skills.

Teaching Non-Fiction

Supporting English teachers and departments to develop pupil engagement with non-fiction and help pupils read, analyse and respond to the different forms and genres.

Teaching Poetry

Supporting English teachers and departments to develop pupil engagement with poetry.

Teaching Shakespeare

Supports English teachers in developing a repertoire of teaching strategies to apply to any of Shakespeare's plays.

The EYFS Framework

A course introducing the Early Years Foundation Stage Framework.

Working With TAs

A guide to working with and making the best use of teaching assistants.

Alternative Provision

An introduction to AP, why we need it and how to choose an alternative educational programme.

Attachment

Covering the history of attachment theory and its role in relationships and professional practice, with practical advice.

Beat Bullying

Helping staff understand bullying, plus practical anti-bullying strategies and resources to use with pupils to discuss bullying.

Considerate Form Tutor

Helping form tutors to meet their challenging responsibilities and improve the dynamics of their classroom.
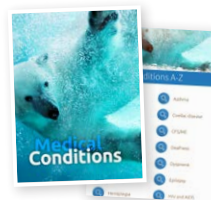

Family Issues

An introduction to family issues, including divorce, bereavement, domestic violence and sibling relationships.

Learning Needs

Covering learning needs such as Gifted & Talented, learning difficulties, and behavioural and communication needs.

Medical Conditions

Discussing the general issues surrounding long-term conditions and disability, plus information on many specific conditions.

Mental Health

A guide to common mental health issues and how they affect pupils.

Partnerships with Parents (EYFS)

Helping early years staff to build and maintain effective partnerships with parents.

Social Needs

Covering a range of social and wellbeing issues, including staying safe, friendships, relationships and resilience.
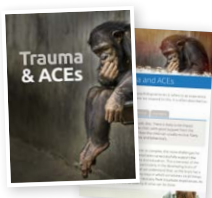

Supporting Adopted Children

Exploring how schools can support children who have been in local authority care, with guidance on admissions, funding and mental health.

Supporting SLCN: Primary/Early Years

Strategies to support the learning and communication needs of children with SLCN. Primary and Early Years versions available.

Trauma and ACEs

An introduction to the effects of trauma and adverse childhood experiences, with ideas for supporting young people and increasing their resilience.

Understanding ADHD

This short course introduces teachers to ADHD and the challenges faced by pupils with ADHD.
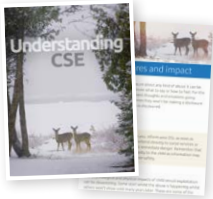

Understanding Autism

A course intended to help deepen understanding of autism, leading to acceptance and inclusion.

Understanding the Child

Detailed information on the medical, social, cultural and developmental needs that children may have.

Understanding CSE

Promotes understanding and awareness of what child sexual exploitation is, how to spot it and how to deal with concerns.

Understanding Dyslexia

Helping school practitioners, parents and carers understand dyslexia and develop a dyslexia-friendly atmosphere.

Understanding Street Gangs

Helping school staff and adults working with children understand gang culture and support young people at risk.

Year 7 Transitions

Helping teachers and form tutors support their students through the primary–secondary transition process.

Wellbeing and support

Being Resilient

Guidance to help rejuvenate staff and build resilience through focusing on achievable changes.

CPD Explained

Helping staff to make the most of their training opportunities and embed professional learning into everyday teaching practice.

Education Issues

A broad overview of key issues in the education sector including government policy and spending, assessment, mental health and technology.

Relaxation

Features everyday exercises, visualisation tools breathing techniques and to help you relax and feel more in control.

Staff Induction

Ensuring staff members have as smooth a start as possible to their new post at school.

Stress and Wellbeing

A short course promoting greater staff wellbeing through identifying and managing causes of stress.

Trainee Teachers

A short course designed to help you understand and prepare for the challenges of your training year.
